Mayor: Regardless Of Annexation—Double Sessions!

HIGHWAY BOARD ADOPTS FREEWAY

California Highway Commission last week in San Diego adopted a freeway routing for 6.5 miles of the proposed Junipero Serra freeway in North San Mateo County between two-tenths of a mile south of San Bruno avenue in San Bruno and the Alemany boulevard-Junipero Serra intersection in Daly City.

This final decision completed state adoption procedure for the north county freeway network totaling 14.2 miles in length. Approved earlier were the links from Junipero Serra freeway to Skyline in Daly City and the connection between the San Francisco freeway on Orizaba avenue to Daly City at Alemany.

The route adopted last week for the most part follows Junipero Serra boulevard. The route swings to the west of the developed area between Arroyo drive and the Chinese Cemetery road. Between Pierce street and the Lake Merced Golf and Country Club in Daly City it will run east of Junipero Serra boulevard. From the golf course north it will be on the west side of Junipero Serra up to Alemany.

The adopted route was recommended to the State Commission, along with routes for the other component routes of the proposed network, last March. It is consistent with the preferred routing requested by the city council of Daly City.

Following announcement in March this year that the State Highway Commission was considering the adoption of this 6.5 miles route, the city of South San Francisco requested that the Commission hold a public hearing on the matter. The hearing was granted and was held in South San Francisco on June 15. At that time South San Francisco officials requested that the freeway route be located away from Junipero Serra and farther to the west along Skyline boulevard.

Mayor Frank Pacelli and City Attorney Paul Hupf of Daly City again stressed Daly City's position and concern over further freeway modifications. A few weeks later, McKeon Company of Daly City asked the state to consider modifying the freeway lateral which will connect Junipero Serra freeway traffic to Skyline and the Edgemar route.

After the June 15 public hearing in South San Francisco, the State Highway Commission ruled:

1. That the testimony of South San Francisco officials did not refute the arguments advanced by the state highway engineer in support of his recommendation (the one consistent with Daly City's official position).

2. That the evidence presented on June 15 supported the conclusions of the state highway engineer.

3. That public convenience and necessity required the adoption of a route last week to permit orderly planning and development of the area affected and to protect the right of way which will be ultimately needed.

City Manager Edward Frank of Daly City today said he expects a report momentarily from the state on the timetable for construction of the freeway through Daly City. Some funds have been earmarked in the

LEGAL INTERPRETATION

County School Chief Cites 'Responsibility' On Disputed Tract

County Superintendent of Schools James R. Tormey clarified the present status of Callan Park as far as school responsibilities and taxes are concerned at the request of the city council before a standing-room-only crowd Monday night at Daly City Hall. Mayor Frank Pacelli climaxed the schools' discussion by declaring that "regardless of the Callan Park annexation and any change in its schools jurisdiction, Daly City schools face double sessions anyway."

Avoiding questions of a "political nature," Tormey answered three technical questions sent him in a letter written by Mayor Pacelli. These answers all qualified on the premise that Callan Park remains in the South San Francisco Unified School District, were: 1)—If Daly City voters keep Callan Park in Daly City by referendum on August 16, responsibility for providing the schools in the 800-acre tract remains solely with South San Francisco School District, 2)—Daly City's tax rate will not be affected and 3)—Callan Park will not cause double sessions in Daly City schools because it lies within the jurisdiction of the South San Francisco School District.

Tormey thereafter explained, on request of the council, the legal methods that would have to be affected in order to transfer the Callan Park area to the Daly City school districts.

The simplest and quickest, he said, would be by petition of at least 10 citizens in both school districts to the county superintendent of schools and the board of supervisors. This would involve a recommendation by both Tormey and the county school district reorganization committee to county supervisors who would call a hearing for the proposed boundary change. By this method, Tormey said the transfer could take effect by next fiscal year, starting July 1, 1961.

Second method, according to Tormey, would be by petition to the county school district reorganization committee, with additional processing through the state board of education, then to county superintendent for his recommendation to supervisors. Another hearing would be set up, and if this process is completed by February 1, the redistricting would materialize in about one and a half years from now.

The "most cumbersome" avenue for redistricting, he continued, would be a time-consuming process of petition by five or more residents of either South San Francisco or Daly City to the county redistricting committee. This would necessitate a series of hearings locally and with state department of education officials.

Tormey also cited the possibility for redistricting should 25 per cent of the residents of Callan Park petition for a change to another school district and out of South San Francisco. He emphasized that the final decision in this instance was in the hands of the county board of supervisors for authorizing an election. Tormey said he wasn't sure, without checking the education code, which residents would be allowed to vote under this procedure.

The county schools' chief, again answering a council inquiry, said that since 1952 there were a total of 31 school district boundary changes processed by his office and that only on one occasion did the board of supervisors take a position contrary to his recommendation. Of these 31 cases, 23 produced agreement between both school districts involved for the change (22 instances where the change was voted and one where all parties agreed there should be no change.) Tormey pointed out that the county board of supervisors, with the already cited one exception, agreed with his recommendations on the 30 changes since 1952.

Tormey went on to emphasize that "good school district boundaries do not necessarily follow municipal boundaries."

Citing the 18-month study conducted in 1955-56 by the county school redistricting committee, Tormey said trustees of all 12 school districts north of Millbrae agreed that "freeways represent a serious element in school district boundary considerations."

He then pointed to the May 24, 1960 decision of the county schools redistricting committee which produced agreement that the entire area between South San Francisco and Skyline boulevard and between the San Bruno and Jefferson school districts should be studied for possible boundary changes. His inference was that the freeways in the vicinity of South San Francisco and Callan Park might create the possibility of separate school districts in this area — apart from existing school districts.

Referring to his 1956 annual report on county schools, Tormey remarked that "there is only one instance in the county where school district and city boundaries are the same—in South San Francisco."

"Many school districts cover more than one city," he declared. "Sometimes when the school

City To Eliminate $5 Water Deposits Beginning Monday

Effective August 1, Daly City will no longer require consumers to pay a $5 deposit for water service. All deposits on hand now will be refunded.

The council Monday night approved this recommendation of City Finance Director Joseph Arch. He said elimination of the deposits will cut the time required in bookkeeping these deposit accounts yet would not affect the city's policy of discontinuing water service if consumers get too far behind in their payments. After August 1, water payment delinquencies will lead to shutting off the water of those in arrears unless they immediately pay their bills in full.

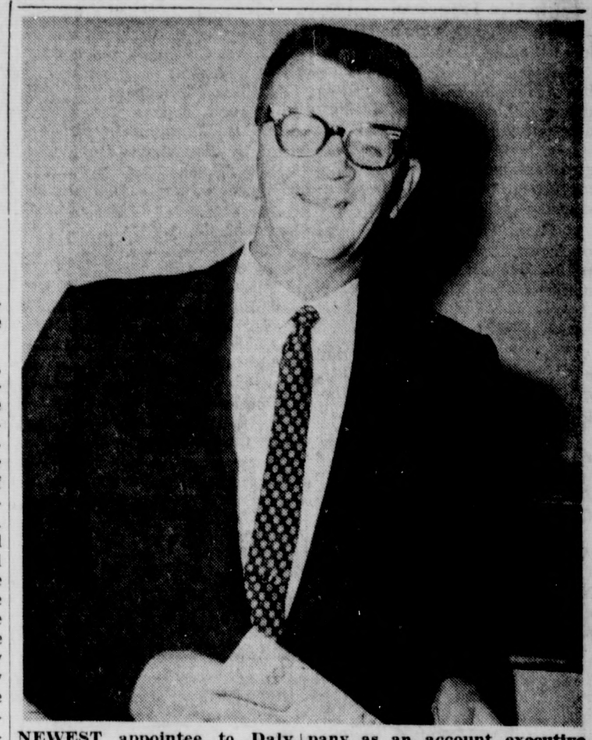
Habitual delinquents henceforth will have to deposit $25 with the city Arch explained.

In another water department discussion Monday, City Engineer Bill Chapman, by letter, thanked the council for approving his recommended new water department budget which calls for $108,000 in expenditures from water revenues for water system improvements.

Said Chapman: "This budget launches our project four-year water improvements program and will develop the department into a first class utility without any bond issues."

At an earlier budget hearing, City Manager Edward Frank also cited the water program, reminding that during the past two years Daly City has made more water department expenditures for improvements than during the previous 20 years.

Arch estimates that the average Daly City resident makes six $8.50 water payments to the city each year (every other month) or about $50 total for 12 months.



NEWEST appointee to Daly City's Planning Commission is Westlake resident Del E. Gore, former San Francisco radio broadcaster who works for the American Broadcasting Company as an account executive for KGO-TV. He fills the unexpired planning commission term here of real estate man Art Colvin

Pacelli Labels Charges Against Callan Project 'Deliberate Falsehoods'

A charge of "deliberate falsehoods" was aimed at opponents of the annexation of Callan Park last week in a personal letter mailed to every registered voter of Daly City by Mayor Frank P. Pacelli.

In his letter, paid for at his own expense, Pacelli pointed out that the City Council on two occasions voted 4-1 in favor of the annexation realizing that the annexation would increase tax revenues and provide almost 17,000 jobs during the next five years.

"We have been constantly opposed by a handful of well organized obstructionists who have persisted in making claims against Callan Park which are both misleading and untrue," Pacelli said.

Leveling his strongest attack on the opposition charge that defeat of the annexation would save Daly City residents, "$100.00 a year for life," Pacelli called this statement "an insult to your intelligence and mine."

His letter pointed out that there are 18,507 voters in Daly City. "Using the obstructionists own figure, this amounts to an alleged $1,850,700 in tax savings in just one year . . . yet the total taxes collected last year were only $399,624.76."

While agreeing that there will be certain costs involved to get the project started, Pacelli said that upon completion the huge development "will return to Daly City a profit of nearly half a million dollars a year in tax revenue after all public services to the area have been paid."

The mayor said that he decided to send the letter as a private citizen and pay for its costs out of his own pocket.

City's Valuation Up $7.8 Million To $49,560,000

Daly City's new assessed valuation totals $49,560,000, City Clerk Evelyn Mosman reported to the city council Monday night.

This is an increase of $7,860,650 over last fiscal year. The city's new budget totals $2,228,340 and the tax rate is $1.45.

Mosman reported that $46,678,550 of the new figure is the total of assessed valuation on the general tax for fiscal '60-'61, and that the remainder, $2,882,100 is on unsecured personal property tax.

Unsecured personal property taxes are now being collected using the 1959-60 tax rate of 90 cents per $100 assessed valuation. The amount to be collected on this basis is $25,939.97.

JEFFERSON HIGH, ELEMENTARY SET BUDGET HEARINGS

Jefferson Union High School District trustees will hold the public hearing on their new $3,219,034 budget next Monday at 8 p.m. at 375 South Mayfair avenue.

The budget will be one working at a more than $100,000 deficit by the end of the school year. Other items on the agenda for possible approval by the High School trustees are approval of the second increment at Westmoor High School and the proposed building and renovation schedule for Jefferson High School.

The district is figuring a $1.52 basic tax rate which is five cents more than last year.

At the same time, 8 p.m., the Jefferson Elementary School District trustees will be meeting at 48 Park Plaza drive to hold a public hearing on their $3,471,611 proposed budget. The budget increase in the elementary district is approximately $140,000 more than last year. A basic tax rate of $2.12 or $2.10 will be acted upon. Last year's tax rate was $2.10.

Council Authorizes Change In Pay Dates For City Employes

The city council Monday night approved Finance Director Joseph Arch's recommendation for changing the pay days of Daly City employees.

Beginning in September, employees will be paid on the 20th and the 5th of each month. Currently they get their pay checks on the 15th and the last day of each month.

Arch said — and the city manager agreed — that the change would allow a simpler procedure in the payroll preparation by the finance department and would eliminate a lot of end-of-month problems as far as that office is concerned.

Request by a representative of the city employees' union that the council first survey employees for their feelings on the proposed change was turned down by the council. Arch said employees by September 5 should be fully apprised and adjusted for the change. Notification slips on the change will be attached to their next two paychecks, he said.

Arch estimated Daly City's monthly payroll "at close to $100,000 for about 195 employees."

He explained that under the new schedule (pay days on the 20th and 5th of each month) that should the 5th fall on a Saturday, Sunday or holiday, employees would be paid on the Friday before the 5th.

Council Approves Duty Statements; Salaries Listed

The city council Monday night adopted new duty statements for several municipal jobs but postponed a meeting with the city personnel board on a few additional changes that are still under consideration.

All 195 city employees were granted 3 percent salary increases with the adoption of the new city budget.

City Manager Edward Frank's salary for fiscal '60-'61 will be $15,450 (increase due to 3 percent hike). City Engineer Bill Chapman was advanced from $9516 to $11,763 a year.

Police Chief Roland Petrocchi was elevated one range from $9972 to $11,013 a year. Fire Chief Elmer Kennedy went

(Continued on Page 2)

JUDY Ulstad, 17-year-old Miss Redwood City, will reign as "Dream Girl" over the 1960 San Mateo County Fair and Fiesta, August 5-13. Here she is surrounded by her attendants representing 11 Peninsula communities. Kneeling are Darcy Murphy, San Bruno; Joan Treher, Belmont; Selma Rusch, Burlingame and Frances Schrumpf, Pacifica. Back row: Dolores Ferreira, Coastside; Linda Gray, Menlo-Atherton; Judy Young, South San Francisco; Jonette Johnson, San Carlos; Miss Ulstad; Bonnie Jensen, Daly City; Betty Luporini, Millbrae and Dinah Lewis, San Mateo. All of the beauties will participate in special ceremonies during the 26th annual Fiesta in San Mateo.

PAL Bowl Meet Goal Is $10,000

Police Chief Roland Petrocchi stated today that the response for the Police Athletic League Bowling Tournament at Westlake Bowl has been about on a par with last year's as far as fund raising is concerned but is far falling behind expectations he had.

Petrocchi stated, "Before the tourney started I thought we would have realized $6000 income by this time and would be aiming for a total of $10,000. Instead we have netted only about $3000."

The Police Chief reminded that the tournament ends on August 6 with all proceeds going toward the athletic fund for 500 boys here.

Co-chairmen of the tourney, John and Jane Doelger, said, "We must solicit groups of any size to bowl in weekend squads. If the group is 20 or more, remember that we have a special prize awarded on the spot."

The co-chairmen noted that the $3000 figure quoted by Petrocchi was announced at the half way mark in the tourney and a great deal more bowlers are needed to reach the $10,000 expectation during the last half of the tournament.

Planning Commission Chairman Blasts Anti-Annexationists

Opposition statements that proposed apartment buildings in Callan Park are illegal were termed "ridiculous" and "irresponsible" today by three members of the Daly City Planning Commission and two city councilmen.

The charges were leveled at the opposition group whose spokesman, Fred J. Walker made statements to the metropolitan press last week claiming that architect's sketches of the Callan Park development showed buildings of 11 stories or more and that these buildings were "in violation of the law" because the local ordinance restricts building heights to three stories and 36 feet.

Chairman Richard Dwyer of the Daly City Planning Commission said that such buildings would be a "proud addition" to Daly City, and that neither the planning commission nor the city council would attempt to block such a project.

He said that the building code which Walker referred to provides for the issuance of variance permits for buildings such as those planned in the Callan development.

"This is just another example of Mr. Walker's misrepresentations and distortions of the facts in order to tell only one-half of the story," Dwyer said. "At no time did he contact the planning commission to find out if the Callan Park plans were really 'illegal'—he knew that the answer would be that there are no grounds for his charges."

Planning Commissioners John Schaeffer and Tony Masini agreed that "Walker said what the Planning Commission would never say, and he tried to make it appear that his statements were backed by this or some other responsible body—which, of course, they were not."

City Engineer Bill Chapman said that he could see no objection to high-rise apartments. City Councilman Edward Dennis said that Walker's statements "just are not so."

Councilman Bob St. Clair agreed that Walker's charges were "deliberately misleading." He pointed out that this is the third time in one week that Walker has been exposed on "a deliberate attempt to deceive the people of Daly City with half-truths."

St. Clair said the Walker's "Citizen Defender" mailing to Daly City voters was exposed as "an outright, malicious lie" by the Daly City Council last week. In a personal letter to each Daly City voter, Mayor Frank Pacelli charged that "a handful of obstructionists" have made claims about Callan Park which are "misleading and untrue."

The annexation of the 871-acre, proposed $150 million Callan Park development will be decided by a special Daly City election on August 16.

Rider Injured Here

Seven-year-old Dale Wagenman, 348 Winchester street, was transported to Junipero Serra Hospital by Officer James Bergstrom last Thursday at 4:30 p.m. after he and his bicycle were felled by an auto at the intersection of Mission and Alp streets.

OBITUARY

Funeral Services For Two Infants

Funeral services were conducted last Friday and Saturday at W. C. Lasswell and Company for two Westlake infants who died on July 20.

Rites were held for Chris John Amarantes, two weeks old, son of Harold and Diana Amarantes, 81 Crestwood drive, apartment 4, and for Paul Gregory Mackriss, two months old son of Augustus and Ellen Mackriss, 73 Wilshire court.

Baby Amarantes was buried at Oakdale, California. The Mackriss infant was interred at Golden Gate National Cemetery.

Conchita Bortolussi

Funeral services last Saturday morning at W. C. Lasswell and Company paid final tribute to Mrs. Conchita Bortolussi, 269 Willits street, Daly City. She died July 20 at St. Luke's Hospital in San Francisco.

Born in Italy, she had lived in California the past 47 years.

She is survived by her husband, Joseph Bortolussi; two daughters, Mrs. Adele Piacente and Mrs. Mary Barsotti; her sister, Natale Maraglia, and six grandchildren. She was the mother-in-law of Felice Piacente and Reno Barsotti.

A Requiem High Mass was celebrated at Our Lady of Perpetual Help Church. Entombment was at Italian Cemetery.

Fred H. Laun

Fred H. Laun, 85, who lived at 82 Acton street, Daly City, died July 25 at St. Luke's Hospital in San Francisco.

Born in Germany, he had lived in California 69 years. He was a charter member of the Independent Rifle and I.O.O.F. Court of California No. 2.

He was the husband of Louise A. Laun, the father of Albert R. Laun, Mrs. Hilda Marinelli and Mrs. Anna Scardaci, the brother of Mrs. Kate Von Husen, and is survived by six grandchildren and five great-grandchildren.

W. C. Lasswell and Company of Daly City handled funeral arrangements. Burial was at Olivet Memorial Park on Wednesday morning.

DC FREEWAY

(Continued from Page 1)

new state fiscal budget for right-of-way purchases. Frank said he assumed that these negotiations are underway.

Mayor Frank Pacelli, commenting on the state's final action last week, today declared: "It is gratifying to hear that the state's adoptions are consistent with the least destructive routings here that we, the city council, worked to guarantee. We are satisfied with these routes, knowing full well that the Junipero Serra freeway was inevitable and that our concerted efforts to route this freeway away from homes and commercial districts have resulted in a satisfactory local freeway system."

DC Man Injured In Policeman-Baker's Auto Collision

One Daly City man, a passenger, was severely injured in an auto accident, involving a San Francisco Policeman and a route supervisor for a baking company, at St. Francis boulevard and Clarinada drive July 15 at 6:30 a.m.

William K. George, 37, 491 Northaven drive, was transported to Junipero Serra Hospital by Bay Area Ambulance following the "major damage to both autos" collision. He was a passenger in the auto of Bernard J. Allbrecht, 32, 83 Fairway drive, a baking company route supervisor.

The driver of the other car was Ramon A. de la Pena, 31, a San Francisco Officer.

Allbrecht said he was making a left run into St. Francis boulevard when he was struck. He noted that the visibility was not good due to the fog. Officer Jim Doran did not hand out any citations "pending further investigation."

Tormey's Facts

(Continued from Page 1)

district and city boundaries are identical many problems result."

Asked by Edward Murphy of the 'Yes' on Callan Park Committee what effect redistricting to Daly City would mean to residents of Callan's proposed subdivision, Tormey answered "I'm not in a position to answer this...and I don't think anyone else is...this would require an assessment of the integrity of the developer, a knowledge of the projected money market five years from now, and predictions on the local political situation...all of which I am not competent to answer without a crystal ball or a direct line to God."

Tormey did declare, however, that "in my opinion there isn't much difference in the total educational caliber of the various school districts..." in reply to a second Murphy query.

The meeting, well attended by backers of both sides in the annexation argument, heated up somewhat with the appearance of Mayor Andrew Rocca of South San Francisco and trustee John Broughan of the South San Francisco school board.

Rocca reiterated, "Our official position (South SF city council) is that we don't propose to be for or against the Callan annexation to Daly City, but we do not feel that the Callan tract schools should be the responsibility of South San Francisco taxpayers."

Continued Rocca: "We feel our industrial area should carry our school load, and Callan Park homes will not pay their way in our school district. We presume Callan Park will stay in Daly City and this land should be redistricted into Daly City's school system. We do not believe in higher taxes from developments not under our jurisdiction as a city."

Rocca concluded: "You can take the land (Callan Park) and also you should take the schools responsibility."

Mayor Frank Pacelli countered: "Won't Callan Park be paying taxes to your school system?"

Rocca answered, "only a portion."

More challenges in the Callan Park annexation controversy again were voiced Monday night. Pacelli was criticized by housewives Margaret Amorose of St. Francis Heights and Elsie Garrison of Westlake for his "personal letter" to all homeowners regarding Callan Park and double sessions, and also over certain Callan Park advertising statements which concerned the city's agreement and the builder's $100,000 performance bond.

Councilman Edward Dennis, in particular, took Mrs. Amorose to task for "being consistent in being inconsistent."

He cited his efforts as mayor to resolve the Callan-McKeon dispute on the Eastmoor road completion and progress for M. Pauline Brown School off Eastmoor.

"Yet, where is the M. Pauline Brown School?...you attacked the council for the delay on the Eastmoor project...but why the delay on the school?...it still isn't built," Dennis asserted.

Councilman Micheal DeBernardi said he couldn't understand why the Jefferson Elementary School board wanted to assume the responsibility of the Callan Park schools.

Mrs. Amorose responded: "It's because they feel morally bound to anticipate this redistricting and the responsibility to educate Daly City children.

DeBernardi then declared: "Callan Park is still in the South SF School District and the JESD should try to keep it there."

DeBernardi reminded that Daly City's high school district currently covers Brisbane, Bayshore and Pacifica as well as Daly City, Broadmoor and Colma. He also noted that the amount of assessed valuation behind each child in South San Francisco schools district is higher that that in the Daly City elementary district..."and this higher backing should be considered as far as the educational system is concerned."

Pacelli concluded: "School districts have nothing to do with city boundaries."

Mrs. Garrison finalized: "It would seem that Mr. Tormey's answers tonight were sharply limited to the specific questions the council majority wanted answered."

City Salaries

(Continued from Page 1)

up two salary ranges, from $9084 to $10,494.

Finace Director Joseph Arch was upped one range to $11,013 from $9264.

Assistant City Manager Phil Brown was upgraded two ranges from $6760 to $7954 per year.

Building inspector George Hopman's new salary is $8219 compared to $7572 last year.

City Librarian Sam Chandler was boosted two ranges to $8208 a year from $6714.

Acting Director Chuck Vincent's pay as parks-recreation department chief is $7824. Vincent's salary when he was supervisor in the department was $6053.

Mayor Frank Pacelli and the full council Monday night praised City Manager Edward Frank and the personnel board for the many upgradings and new duty statements. Frank, in turn, cited the efforts of chairman Mel Battye and the city personnel board "for spending many, many hours the past eight months studying these duty statements and recommending to us changes that are warranted and beneficial to the employees."

Councilman Joseph Verducci declared the work of the personnel board and city manager "brought us up to date as far as personnel standards are concerned."

Two factors yet to be resolved by the council are the status of the city buyer's position and proposed changes in authority and duty statements of the superintendents of the water and street departments.

SF Army Private Held On Petty Theft Charge

A routine check July 17 at 7:45 p.m. by Eugene Lynch, owner of the Colma Auto Wreckers, 198 "B" street, resulted in the arrest of Robert James Magarell, 20, 479 Ralston street, an Army private on petty theft charges.

Lynch held Magarell for Officer George Carleton of the Broadmoor Police. A second man jumped a fence and fled the scene. Bail for Magarell was set at $250. He is to appear in Municipal Court next Thursday.

Westlake Babies DOA At Hospital

Two tots, ages 3-months and 2-weeks, both of Westlake, were pronounced dead on arrival at Junipero Serra Hospital last Wednesday within a period of 2½ hours.

Officer Philip LaBruzzo, called on both cases, first responded to 81 Crestwood drive, Apartment No. 4, at the report of Harold Aramantes, 26, who said his two-week-old son Chris was in need of a resuscitator. The father was mouth-to-mouth breathing when Battalion Fire Chief Mel Hansen, Captain Allen Brush and firemen George DeBono, Robert Malcom and James Dresser arrived.

The tot was given oxygen at the home and while LaBruzzo drove the child to Junipero Serra Hospital. The baby was pronounced dead on arrival. The father said he had looked in at the baby a ½ hour previous to calling police and the boy had been breathing normally.

At 11 p.m. Labruzzo, along with Sergeant Rico Benedetti, was dispatched to the home of Augustus (Ross) Mackriss, 43, at 73 Wilshire avenue. Mackriss said he had found his son, Paul Gregory Markriss, 3 months, dead in the crib. The attending physician said death was due to bronchial pneumonia.

NOTICE OF TRUSTEE'S SALE

On Thursday, the 11th day of August, 1960, at the hour of 11:00 a.m. of said date, at the City Hall, 400 Grand Avenue, City of South San Francisco, County of San Mateo, State of California, at the main entrance of said building, on the first floor thereof, B. H. Freeman, as substituted trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following real property, situated in the City of Daly City, County of San Mateo, State of California, and described as follows, to wit:

Lot 27, Block 122, as designated on the map entitled "WESTLAKE UNIT NO. 8D DALY CITY SAN MATEO COUNTY, CALIFORNIA, which map was filed in the office of the Recorder of the County of San Mateo, State of California on April 25, 1956 in Book 44 of Maps at pages 48 and 49.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Milton L. Vasquez and Rae-Anne Vasquez, his wife, to California Pacific Title Insurance Company, a corporation, as trustee, for the benefit and security of Lawrence W. Johns, dated April 30, 1958 and recorded on May 16, 1958 in the office of the County Recorder of the County of San Mateo, State of California, in Book 3393 of Official Records at page 263 (42422-Q).

Dated: July 7th, 1960

LETTERS TO THE EDITOR

Housewife Thanks Both Sides For Annexation 'Debate'

Dear Editor:

I wish to thank both sides of the Callan Park controversy. I especially voted for Mr. Verducci feeling he would be the element for debate on this city council.

The fact that this issue is going to debate justifies my choice.

As for Callan Park, I am of the opinion that—

1. A project bringing into an area 1700 jobs over and above the construction phase is worth suffering a little for.

2. It was confirmed at a recent school board meeting that any district finding this project on its tax roll, at its completion, would profit.

3. Better education at no extra cost would be a simple thing—said a wise teacher. "if more respect for authority were taught in the home, this then would free us (teachers) to dedicate ourselves to teaching the three R's, enable us to carry a heavier class load, thus making more room available."

4. School boards completely divorced from petty politics would cure many educational ills throughout the county.

As far as our city is concerned—

1. We need the revenue Callan Park will bring.

2. Also needed is local legislation to freeze our water fund to the needs of that department, and only by the peoples' vote should this money be poured into the cauldron of the general fund.

Had this been in effect at the first annexations we would have already saved ourselves thousands of dollars in interests paid out.

Callan Park residents will be paying higher water rates, as did the older sections of Daly City when they were using San Francisco water.

Experts will verify that annexations are profitable—making this reservation . . . it all depends upon the public servants.

Again, my thanks to both sides for bringing us better government through debate.

Sincerely,
Mrs. Guido Merlini
74 Vale street
Daly City

'Misrepresentation On Schools Issue'

Dear Editor:

Why is there so much misrepresentation of the school issue concerning Callan Park?

The plain fact is that Callan Park isn't in the Jefferson Elementary or High School District. It isn't about to come in because we have a higher tax rate than South San Francisco. Nobody in Callan Park is going to vote to come into our district in order to pay our higher tax rate.

The statements that Callan Park will come into the Jefferson School District because the rest of Daly City is in the district are not true. The Jefferson High School District is a part of eight cities and towns. School districts in this area have never followed city boundaries, and it is a misrepresentation of the facts to say that they will in this case.

I say let's wake up and stop letting people tell us things about our schools that aren't true. Schools are too important to use for politics.

Yours very truly,
Bob Stewart
720 Skyline drive
Daly City

Challenges 'Facts' In 'Citizen Defender'

Dear Mr. Bradshaw:

I received a copy of something that calls itself the "Citizen Defender" in the mail this week, and I feel that the quote —"news article" — unquote on the second page was as big an insult to my intelligence as the first page was to you and your fine newspaper.

I've never heard of a city getting a worse fire insurance rating because it has added brand-new homes and businesses, and I don't see how our water rates could go up when the city makes a profit from selling water.

I'm not a tax expert, so I don't know about the other charges that the "Citizen Defender" made. But I know that after reading the two points that I mention above that I don't believe a word of it.

I think that it is a disgrace that people try to cram lies like the "Citizen Defender" down our throats, and I'm one who would like to say that I won't accept it without protesting.

John I. Steele
475 Winchester street
Daly City
(resident here
40 years . . .)

CITY TREASURER SAYS 'NEUTRAL'

Dear Mr. Bradshaw:

For the last seven years of which I have been a trustee of the Jefferson Elementary School District, my every efforts have been to bring harmony to our School District, to help provide good schools with the minimum of upkeep, to provide the best teachers for a sound progressive education without double sessions for our children in the Jefferson Elementary School District.

There have been obstacles that have been created in the past which our Board has had foresight and have been cleared for our school planning which is in progress now and has a leading start on future growth. It is true, if we stop now, our standards of living would drop and recede to a point where crime would increase. It is my belief that politics should not enter into schools. The City of Daly City has not receded to that point up to now because the people have had the choice of leaders by democratic election and successful candidates were supported when installed by majority and minority after election. Such issues as of the present should be left to the policy making Board and the will of the people. If factions of citizens choose to organize into committees for or against the issues, that is their prerogative and American Way of life. That is why I am proud to be an American.

My name in office should not be used to influence this coming election, either for or against. My opinion is that it would be unfair advantage to whatever side my name or office would be linked to. I do urge people of our wonderful city to go out and vote and do not let a few decide any election. Don't waste your vote. It is your privilege as Americans to vote—USE IT.

May I add this to clear some thinking and rumors in conjunction with my business. I have an outdoor traveling board advertising business for hire by day, week, or month for a price and it is for rent to anyone. It is true that I have donated my equipment to non-profit organizations, knowing I was helping someone in my city or some fund. I did not charge them, but when commercial accounts or political campaigns request it, I must charge to help me defray expenses such as license, permits and upkeep of my equipment.

May this letter clear a lot of misrepresented rumors and may I thank your newspaper and staff for this opportunity to express myself.

Joseph Lewkowitz
City Treasurer
Trustee, Jefferson
Elementary School

'YES' CAMPAIGN COMMITTEE

Acting Chairman Ed Murphy Says 'Callan Park Won't Hike Taxes'

"Callan Park won't cause increased taxes for Daly City taxpayers. Statements that it will are deliberate lies."

That is what acting chairman Edward Murphy of the "Yes" on Callan Park Campaign Committee told the campaign executive committee last week. He presided in the place of vacationing committee chairman Frank Tardelli.

Murphy, a Westlake real estate agent, lashed out at the "misrepresentations" and "half truths" being spread by opponents of Callan Park.

He told the Executive Committee that outlook for the August 16 election was "good." He said that in the last two weeks the opposition's claims and charges have been exposed as untrue by many sources.

He listed these developments:

1. At the July 18 City Council meeting the "Citizen-Defender" anti-annexation newsletter was attacked as an outright lie. Councilman Bob St. Clair called the newsletter "an outright, malicious lie." Councilman Michael De Bernardi said that the "Citizen Defender" was circulating "outright lies," and Mayor Frank Pacelli labeled it as just "malicious."

2. Mayor Pacelli sent personal letters to Daly City voters exposing in detail the false claims of the "Good Government" committee.

3. Planning Commission Chairman Richard Dwyer and two other members of the planning commission exposed opposition charges that Callan Park buildings were "illegal" as "ridiculous misrepresentations."

Murphy said that public support for Callan Park is growing every day and that 548 persons have pledged active support to Callan Park while close to 200 are displaying signs on their homes or businesses.

"People are realizing that the 'Yes' campaign is more than 'Yes on Callan Park.' It is 'Yes' on more tax revenue for Daly City, 'Yes' on more business for Daly City, and 'Yes' on planned, balanced balanced growth for Daly City."

Dan Casentini was elected chairman of the Italian-American committee in favor of Callan Park last week. He said that his committee will continue their challenge to the Walker committee to come out and name their membership and to appear before any Italian-American Club in Daly City to answer questions.

The Executive Committee announced 125 new members of the "Yes" on Callan Park Committee and announced that the new goal is 1,000 members by election day, August 16.

The new members are:

Evelyn H. Albert, Vincent E. Alberti, Howard F. Anderson, Mrs. Esther Appleton, Remegio Archuleta, Dunbar Averell, D. W. Averell.

Emil Hans Bader, Mrs. Ihea Johanna Bader, Joseph H. Baker, Lam Balopulos, Mrs. Wayne R. Barnes, Richard Bess, Fred Bononi.

'Tender Trap' Friday Evening

This Friday, July 29, at 8 p.m., the Daly City Players will present the comedy, "The Tender Trap," in the War Memorial Community Center at Mission and Alp streets.

This play by Max Shulman and Robert Paul Smith will mark the initial attempt at play production by the Players as a drama group. The Players were formed the early part of this year as a drama workshop, sponsored by the Department of Parks and Recreation of Daly City.

Tickets are available at the War Memorial Building during the week, or at the door on the night of the performance, for the donation of 75 cents for adults and 25 cents for children under 12.

For information, phone PL 6-5097 or PL 5-0850, extension 18.

Following this performance, preparations will begin for the next dramatic effort of the group. Interested persons are invited to join and support Daly City's own little theater group.

Dog Dies From Shot

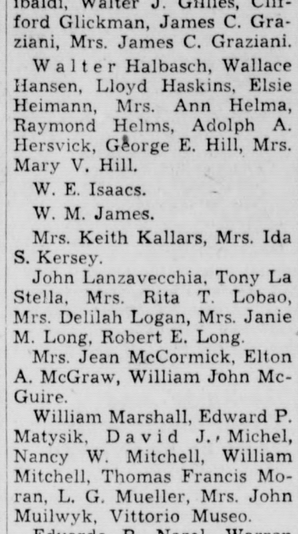
A dead dog was found in a flower bed at 691 Hanover street last Thursday at 10:10 a.m. with cause of death from a gunshot.

Officer Les Bastedo notified the owner, Mrs. Anna S. Young, 276 Acton street. Mrs. Young said she had left the dog out at 7 a.m. None of the surrounding neighbors heard any gunshots.

Woodrow Street Man Has Heart Seizure

Hubert Ashton, 57, 371 Woodrow street, was given oxygen by firemen from Company No. 2 and then transported to Junipero Serra Hospital Saturday at 3 a.m. after suffering a heart seizure.

Officer Ralph Warren said Ashton was transferred to Community Hospital for further observation.



ELEANOR Christine Wasserman, 44 Ocean Grove avenue, Daly City, will graduate today from the Saint Francis Memorial Hospital School of Nursing in San Francisco. She is a graduate of Balboa High School and attended City College of San Francisco. Pediatric nursing is her career field.

Tourney Prizes Stolen From Bowl Display Window

"Bowl To Help Build Better Boys" is the slogan of the Police Athletic League tourney, but a weakling who would rather "help build weaker men" stole $454.95 worth of prizes from the display window last Thursday.

Sergeant Jack Walsh took the report of bowl manager Jim Grealish who stated that four watches and a transistor radio were taken from the display window in the lobby of the Westlake Bowl. Walsh said the thief pried the top off the glass case in order to slip the lock from its resting place.

The theft occurred between 5:30 and 11:30 a.m. Thursday. Walsh said nothing else in the display counter was touched. The investigation is still continuing.

"DREAM GIRL" for San Mateo County's Fair and Floral Fiesta is Redwood City's Judy Ulstad. She won out over 11 other county beauties last Thursday evening.

'MISS REDWOOD CITY'

Swimming Specialist Judy Ulstad Crowned 'Dream Girl' For Fair

Judy Ulstand, 17-year-old Sequoia high school honor graduate who bears a striking resembiance to Elizabeth Taylor, is the new "Dream Girl" of San Mateo County.

The five-foot-six brunette was selected last Thursday night from a field of 12 Peninsula city beauty queens at a banquet in the Fiesta building. Judy, who entered the competition as "Miss Redwood City," is the daughter of Mr. and Mrs. George S. Ulstad of 1202 Chesterton avenue.

She will reign over the county's 26th annual Fair and Fiesta scheduled for August 5-13.

The new Dream Girl is a lifeguard and swimming instructor in the Redwood City Recreation department. Her classic features, combined with dazzling blue eyes and deep bronze tan, impressed the five-member judging panel which included Forty-Niner Halfback Hugh McElhenny and former All-American grid and swim star Clyde Devine. Her measurements are 35-23-35.

Judy was crowned by Elaine French, former Miss South San Francisco and last year's Dream Girl who is now a student at University of California.

The north county candidates were Daly City's Bonnie Jensen, Pacifica's Frances Schrumpf and South San Francisco's Judy Young. Bonnie and Frances attend Westmoor High School.

In addition to a mammoth trophy, Judy won a complete wardrobe compliments of Macy's at Hillsdale. Later in August she will represent San Mateo County in the Maid of California contest in Sacramento.

CITY COUNCIL ACTIONS MONDAY

1. Set August 22 hearing on petition of Harry Curusis to rezone property on northwest corner of Hillside boulevard and Como street from R-2 to R-3 for apartments.

2. Granted use permit to West Coast Advertising Company for illuminated poster panel at northeast corner of Junipero Serra and 88th street, subject to approval of State Highway Division with option to have panel removed when freeway is built. Ray Charette, Bepler street resident and merchant, in letter and verbally protested granting of permit. He said city should protect freeway from billboards. Councilman DeBernardi reminded that city still hasn't adopted proposed billboard ordinance and repeated that "revocable" clauses on all use permits should be inserted until council adopts billboard ordinance. City manager pointed out that he will soon present to council model billboard ordinance which specifically concerns freeways. "If we don't have billboard ordinance," said Frank, "this eliminates the possibility of the city securing money for landscaping freeway areas."

3. Approved issuance of use permit to Pete Pereira of Pacifica for placing a building on an R-3 lot, making dwelling group at 119 and 121 Los Banos avenue.

4. Granted use permit to Joy Jump Trampoline Center, 999 Hillside boulevard. City manager confirmed that the firm's insurance coverage had been checked out.

5. Approved tentative map of Westlake Unit 11 involving two additional lots, but tabled, at city engineer's request, approval of tentative map of Westlake Unit 8-E because of slope difficulties encountered by the developer.

6. Approved tentative map of two 50-foot lots fronting on Hanover street near Oliver. Three 25 x 100 homes are planned with the fourth lot set aside for rear access to the buildings.

7. Granted business licenses to: Neville brothers for used and new cars operation at 7276 Mission; W. Tombaugh and J. R. Gallagher for "Wayne Pontiac" used cars at 6899 Mission, former headquarters of Columbus Motors; Mildred Cydrus, Rock and Gem Shop, 6139-A Mission, lapidary store; Stephen O. Kish, real estate sales, 2495 Junipero Serra; Bernard Hershman, aluminum siding sales office, 1967 Junipero Serra.

8. Granted additional business licenses to: Clifford Terry, Daly City Hobby Shop, 6335 Mission; Autoco, used cars, 7469 Mission; Shady Launderette, 7388 Mission; Caesar Romero, music store, 6789 Mission, and Lynn Walter, Scottish Antiques auction, Westlake Auditorium.

9. Granted dance permits to Mothers and Fathers clubs of Holy Name Parish and Mariposa Boat Club for July 30 and September 10 events at Westlake Auditorium, and approved business license for Dutchess Catering Service which will assist both functions. Council asked city manager to arrange for police chief Petrocchi to re-assess Daly City's dance permit policy in regard to supervision and neighborhood reactions to late evening events.

10. Referred to council's traffic committee petition from Westlake Improvement Association, signed by 49 residents requesting stop signs on Skyline drive south of Westmoor avenue.

11. Closed hearing and approved (without any protests) Ragni rezoning at 156 and 158 Westlake avenue (apartments) and authorized city attorney to prepare an ordinance for next regular meeting.

12. Adopted Ord. No. 519 and approved agreement with Fuchs-Olcese in rezoning lots on Pierce street from unclassified to C-2, Agreement basically covers water service and reads that Fuchs and Olcese at such time the city extends water service to this area that property owners will purchase their water from Daly City and pay the city share of costs of necessary lines, maintenance and service connections.

13. Accepted completion of 14-inch water transmission line from Well No 12 at Second and Reiner streets in Colma. The $36,010 line is 2800 feet long and can be connected to city reservoir 3 (old section of town) and reservoir 5 in the Palisades.

NEWLY appointed scientific director of the U. S. Naval Radiological Defense Laboratory in San Francisco is Daly City's Dr. Eugene Cooper, physicist who resides at 48 Lakemont drive in Westlake. He is a graduate of Massachusetts Institute of Technology and received his Ph.D. from University of California.

Battye, Bodien Name Committee Heads For Daly City Celebration

Committee planning the May, 1961, 50th Birthday Week Celebration will meet at the Daly City Hall on August 16 at 8 p.m.

Co-chairmen Arthur Bodien and Mel Battye today announced several committee appointments. They are:

Religious: Dick Liberty, John Walker, Rev. Lynn Hodges, Father Matthew Sullivan, Cantor Harold Wachter and Rev. Allan Downey.

Queen: Chamber of Commerce, with member Fred Martin in charge.

Dinner: John Putkey, Bob Felker, Jack Kendree, Tony Masini.

School Dedication "Youth In Government:" Fred Goodell, Superintendents Edward Morgan and Richard Foster.

Fire Works: Fire Chief Elmer Kennedy and Battalion Fire Chief Wayne Alexander.

Bands: George Brenner and Aaron Townsend.

Children's Band: Richard T. Larson, Councilman Joseph Verducci.

Garden Show: Mrs. Joseph Schultz, Anthony J. Lemos.

Art Show: Stan Hanna, Elio Fontana.

Old Time Pictures: Fire Chief Elmer Kennedy, Lantz Molley, Police Sergeant Henry Sundermann and Police Chief Roi-and Petrocchi.

Treasury: City Finance Director Joseph Arch and Harry Curuses.

Bowling: Jim Grealish.

Beard: Barbers Jack and Woody Green.

Folk Dancing: Elsie MacLaren.

Children's Dancing: Virginia Alexander.

Entertainment: Councilman Bob St. Clair, McRobert Stewart, Del Gore, Roy Hurlbert.

Fashions: Elaine Wolfe.

Pond Fishing: George Scully.

Boxing and Wrestling: Dick Liberty.

Flags and Parades: Ray Logan, Dudley Sullivan, Aria Gregori, Albert Teglia, Mel Battye.

SF 49ers: Bob St. Clair.

Pet Show: William Fleckles.

Contest Name: Buck Hannon, Larry McDonald.

Pageant: Joseph Verducci.

Trophies: Chamber of Commerce, Frank Davidson, Arthur Bodien.

Approve Swim Pool Conclave

Jefferson Union High School District trustees heard and approved some minor reports at last Monday evening's board meeting. They concerned the following:

WESTMOOR: Interested persons will attend a meeting with board members sometime in September to discuss construction of a swimming pool at Westmoor High School.

JEFFERSON: Authorized abandonment of Unit No. 3 (electrical shop) and the renovation of Unit No. 4 (auto shop).

OCEANA: Approved a sewer connection agreement with the City of Pacifica by allocating $8375 for an outfall sewer.

TERRA NOVA: Approved foundation inspection to be carried on by Brewer and Associates in the estimated amount of $1500.

Children Can See World For $11,061

It cost the Jefferson Elementary School District $11,061.95 but youngsters in the district can now see the world.

Trustees, at last week's meeting, approved the $11,000 expenditure for 105 globes and 258 maps. Superintendent Richard Foster stated that the globes and maps purchase now completes all visual aids necessary in this field for the district.

AROUND TOWN

By ROY HURLBERT

ATHLETIC yet petite (this is possible?) Judy Ulstad of Redwood City was crowned "Fiesta Dream Girl" last Thursday evening before some 400 county officials, their wives and freeloaders from the press in a rip-roaring spectacle at the Fairgrounds.

Nobody can argue with the choice of the winner. There were 12 beauties and even hurricane halfback Hugh McElhenny had to blink more than once in scribbling his verdict as a judge.

Daly City's lone consolation was having two girls in the running—Bonnie Jensen of Westlake and Frances Schrumpf of Pacifica. Both Bonnie and Frances attend Westmoor High School.

San Mateo had the youngest and liveliest candidate in 15-year-old Dinah Lewis. The oldest was Joan Treher, 21-year-old Stanford senior nursing student.

* * *

MAYOR Frank Pacelli and Chamber of Commerce's Fred Martin and Ray Logan gave Miss Daly City a rosy bouquet backstage. Bonnie was as radiant as any beauty contest entrant anywhere. And just as talented.

* * *

MUCH work has gone into the County Fair (August 5-13), and the publicity this year, handled by veteran Peninsula newsman Dick Harris, has been no less than first cabin.

One of Harris' candid pictures of Miss Daly City was wirephotoed cross country by United Press. Among many papers using it was the Nevada State Journal.

The Chamber of Commerce is getting plenty of positive publicity via blonde Bonnie.

* * *

COUNTY Engineer Don Wilson in a letter to Councilman Edward Dennis this week urged north county residents to "be patient" about the temporary closing of Hillside boulevard in the Colma-South San Francisco area.

The strip that is blocked off is being reconstructed into a much more negotiable four-lane highway, including betterment of the busy Hillside-Chestnut avenue intersection.

The contractor is working full speed to complete the project, Wilson pointed out. If the road hadn't been closed, the work would have taken much longer.

* * *

A MATTER of bigger-ness: If Callan Park stays in Daly City and the builder realizes all his projections, Daly City's population in about 10 years (not counting other increases) will climb from the present 43,500 to 60,060 plus a few more cats and dogs.

San Mateo's present population, 70,000, is the county's largest for a city. Redwood City now has 45,861 and is still going strong.

Between '60 and '64, Daly City may bring in unincorporated Broadmoor for another gain of about 5000 residents.

And don't forget the Christen ranch lands running west of Junipero Serra . . . and the Crocker Highlands east of town.

Only one fact is unchangeable—Daly City can't move north unless the council can get Stonestown away from Mayor Christopher. Longshot to say the least!

* * *

LETTER writer this week hits the nail solidly on the head when she reasons that Daly City's annexation uproar has produced beneficial debate and therefore more interest in government.

It goes without saying that the wise man is he who listens to all the arguments, seriously attempts to separate the facts from the fiction, then lets his civic-minded conscience dictate his decisions on election day.

Voting intelligently is one thing. Voting by habit is another. Combined, they make for responsible citizenship.

* * *

ATTORNEY (former muni judge) Tom Bocci Jr. got some extraordinary publicity for his role in the recently concluded Natale murder case in South San Francisco.

Bocci's client, the distraught hubby who killed his wife and teenage daughter, got off much easier than many expected when the jury returned a second degree verdict.

Bocci's letter about the case reminded that "with good behavior, Natale might be released on parole in 3½ years."

The former judge also noted that the case definitely had a local flavor because five Daly City residents testified at the trial and both victims were DC residents form 1952-55. According to Bocci, the trial witnesses were localites James Donahue, Frank Garibaldi, Sanford Vickers, Gus Sebastiani and Ann Kirchhubel.

* * *

FOR COMPARISON:

Daly City's new fiscal budget amounts to $2,228,340 and requires a $1.45 tax rate.

Industrial South San Francisco's new budget totals $1,938,422 and the tax rate for the fifth straight year will be $1.56 per $100 assessed valuation.

Growing Pacifica's tax rate may jump 42 cents to a record $2.29 to finance a proposed budget of $783,395.

Daly City's assessed valuation is about $49 million, South SF's $63 million, and Pacifica's $18,937,000.

* * *

SALARY-WISE, Daly City's 195 muni employees finished low on the list of Peninsula pay increments this time. Menlo Park and Daly City employees were granted 3 percent wage boosts for the new fiscal year, compared to a 4.7 hike in San Bruno, and five percent jumps to employees in Belmont, Hillsborough, San Carlos, Burlingame, Redwood City and San Mateo. Even Pacifica, facing a rough financial road, is planning 5 percent salary hikes for its employees to keep them on the job and in order to recruit many more in years to come.

Homemakers Who Simplify Their Work Save Energy ... And Hearts

"Homemakers who simplify their work save energy. And doing things the easy way may help some Daly City women save their hearts," says Mrs. Marian Jensen, consultant for the San Mateo County Heart Association.

According to Mrs. Jensen, here are some tips which the San Mateo County Heart Association provides to make housework easier. Planned especially for cardiac housewives who have been advised to "take it easy," these hints are useful for any homemaker.

PACE. Find your own rhythmic, relaxed way of doing things and stick to it. Playing music while you work may help you relax. Hasty thinking and hasty working seldom accomplish what you want.

PLANNING. Use tables on wheels. They are good for assembling and transporting food, dishes, groceries, cleaning supplies, laundry and many other things from place to place. They save heavy lifting. They also provide welcome extra work space where it is needed.

Save steps by organizing jobs so that you stay on one floor of your home or in one area of your apartment until the job is finished, if possible.

CLEANING. Make sure you're using the most convenient appliances you can afford. Long-handled dust pans, brooms, mops, etc. save much stooping. Two dust mits, one for each hand, speed the cleaning chore. Assemble and keep all cleaning supplies together in a basket.

SIT TO WORK AS MUCH AS POSSIBLE. You can sit to iron, clean vegetables, feed the baby, wash dishes, make marketing lists and do many other tasks.

AT THE STOVE. Store seasonings, serving dishes and utensils needed at the stove right next to the stove, on easy-to-reach shelves. You may find open shelves preferable because they make it easier to get at supplies. Many utensils such as stirring spoons and pancake turners can be hung on walls near the stove.

Having a stove with a high oven eliminates stooping.

AT THE KITCHEN SINK. The right height is important. If your sink is too low,. you strain your back by stooping to do dishes. At rack in the sink underneath your dishpan will raise it to a more comfortable height. If the sink is too high to sit at comfortably in a chair while washing dishes, use a kitchen stool with a comfortable leg rest and preferably with a back support.

Scald dishes and let them drain dry.

Center your vegetable and fruit preparation around the sink and have knives, strainers, etc. handy to it.

IRONING. Sit to iron. The chair should support your back and be a comfortable height to enable you to use the same arm movements as when you stand. First assemble everything you need within easy reach. Place dampened clothes at your left (preferably on a portable table) and set a rack to hold ironed clothes at your right.

Other helpful hints, a complete motion study check list and suggestions for efficient kitchen arrangements are included in a booklet titled "The Heart of the Home."

The San Mateo County Heart Association, 45 North B street, San Mateo, makes this booklet available to all homemakers interested in saving energy by simplifying their work.

Stagnaros Feted On Silver Anniversary

Mr. and Mrs. Angelo Stagnaro of Daly City celebrated their 25th wedding anniversary last week at a dinner reception given at MacDowel's in San Mateo.

Attending the affair were Mr. and Mrs. Andrew Stagnaro, Tony, Joseph, and Jo Ann; Mr. and Mrs. Joseph Puccini, Mr. and Mrs. Ray Puccini and Nancy Lee; Mr. and Mrs. J. Biagi, Mr. and Mrs. Victor Stagnaro and daughters, Celia, Kathy, and Linda.

Treasure Hunt For Playground Children Friday

As part of its 1960 summer special events program, the Daly City Parks and Recreation Department will hold a "Pirate Day" at Thornton Beach this Friday.

This event, for children 9 years of age and over, will feature a hunt for buried treasure with special prizes going to those who find the treasure. The children will leave their playgrounds and hike with their recreation leaders in time to arrive at Thornton Beach by noon.

Children attending should bring a sack lunch or weiners and buns for the big hot dog roast at noon. At 1 p.m., following lunch, there will be a big treasure hunt and special games. After these activities, all participants will be escorted back to their playgrounds and should arrive there about 3:30 p.m.

All interested in attending should contact the recreation leaders at their playgrounds as soon as possible to obtain a permission slip.

Notre Dame Offers 35 Scholarships

Thirty-five scholarships to the Bay Area Mathematics In-Service Institute sponsored by the National Science Foundation are available in the Adult Education Division of College of Notre Dame, Belmont, for the full semester, 1960-1961.

These opportunities, open to both men and women who are teaching mathematics and science in either junior or senior high school levels, furnish tuition, travel expenses, and text books for those who are eligible to participate after having been accepted by the Institute Director.

Courses beginning in September include Modern Mathematics in the Secondary Schools, Dr. Max Kramer, Ph.D.; Foundations of Arithmetic and Algebra, Lloyd Walker, M.A.; and Math. 246A: From Elementary Mathematics to the Calculus, George Polya, Ph.D. Each course carries three units of credit for 15 class meetings.

Dr. Max Kramer, Assistant Head, Mathematics Department, San Jose State College, received a doctorate in Mathematics Education from Columbia University in 1950. He is the author of a number of publications in his field and was principal of San Jose High School for a period of six years. He has just returned from a trip to Europe.

Lloyd Walker, M.A., of the Mathematics Department, San Mateo High School, will conduct a class in "Foundations of Arithmetc and Algebra." This course is intended to broaden the background of teachers in mathematics in junior and senior high schools.

Dr. George Polya, Ph.D., who received his doctorate in Mathematics at Budapest University, is internationally known as an authority in the study of complex variables, location of rotts, probability, and theory of numbers. The author of numerous works on mathematics, he is teaching at Stanford University during the current summer session.

Further information may be obtained by calling the Director of Adult Education, College of Notre Dame, Belmont, LY 3-7676.

PODOLSKY LEADS B'NAI ISREAL SABBATH RITES

Congregatiqn B'nai Israel will hold Sabbath Eve services this Friday, July 29, at 67 Los Banos avenue, Daly City. Services begin at 8:30 p.m. and are conducted by President Irving Podolsky in the absence of vacationing Rabbi Solomon A. Shore.

In keeping with the popular tradition of the Congregation, this service will be dedicated to the students of the Religious School who celebrate their birthdays during the month of July. The children will participate in the service and those to be honored are Mark Nordson, Gary Rudolph, Diane Solomon, Ronald Stein and Suzanne Zisko.

JUST SO WIDE — Julian P. Hargrove, (second from right) of the Daly City Garden Club, gets help in measuring his outdoor garden plot for the 26th annual San Mateo County Fair and Floral Fiesta from members of the amateur division staff and Eric Clough, (left), designer for the fair and fiesta. Keeping a close eye on the tape measure are, (left to right) Clough, Mrs. Richard Berg Mrs. A. C. Allan, Hargrove, and Mrs. Brian Menzies. Thirteen clubs will compete in the outdoor portion of the floral fiesta, August 5-13.

W'lake Baptist Sets 'Belgian Congo' Speaker

A full and authentic report of political and religious conditions in Belgian Congo will be given this Thursday evening, July 28, at Westlake Community Baptist Church, Southgate and Elmwood streets, Daly City.

The report will be given by Dean Kirkwood, representative for the American Baptist Foreign Missionary Society. Kirkwood, a veteran of two revolutions on foreign fields himself, is in constant touch with the problem of some 90 Baptist missionaries in the Congo and will be able to give information that is not available to most people.

Following Kirkwood's presentation of pertinent facts and interpretation of these facts, questions will be received from those in attendance. The meeting will last from 7 until 8 p.m. and the public is invited to attend. Other information relative to this significant meeting may be obtained by contacting the Rev. Lynn Hodges, pastor of Westlake Community Baptist Church.

'Go-Karts' And Other Small Vehicles Must Be Registered

Miniature automobiles, "Go-Karts," and similar vehicles that are especially popular with youngsters may not be driven upon public streets or highways unless they meet the requirements of the vehicle code, reminds the California State Automobile Association.

Vehicles of this type are becoming increasingly popular and the operator of such a vehicle is warned by the AAA motorists' organization that he is violating the law unless it meets the same state requirements as those for any other vehicle.

California law requires that any motor-driven vehicle operated on public roads or highways must be properly registered. In addition it must have specified equipment including a windshield and windshield wiper, a rear-view mirror, an adequate muffler and horn, stop lights and turn signals.

The CSAA also reminds that anyone operating a motor vehicle, including a miniature car or "Go-Kart," must possess a valid driver's license.

If a person has purchased such a vehicle for fun, the CSAA says the best way to make it fun is to operate it safely and in the proper place. Unless it meets all the requirements of the vehicle code, the proper place is a private road, parking lot or other area that is not a public thoroughfare.

DON'T MOVE INJURED

If you happen to be involved in a traffic accident, don't move anyone who is injured, advises the National Automobile Club. You may cause serious complications.

LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

Anyone can write a teen-age movie plot these days. All you need is an imagination and batch of juvenile "lingo" to make the "flick" a real "riot."

We have done wrotten one monickered, "I Were A Teen-age Waswolf." In case that doesn't go over too good we have retitled it , "Rock Around the Blockhead."

For the studio's convenience we have even chosen the top stars to play parts. There's Sandra Gee to play the lead female role, Sal Minestrone as the hero who carries drums with him, Wednesday Told as the femme fatale, and Bat Hunter who finally turns Sandra Gee into a sugary human being again.

This spectacular should be easy to sell. The story is simple. It starts on a Thursday as Wednesday goes to the office of Joe Friday to tell him that Charles Munday has turned Sandra into a Werewolf.

Minestrone is as mixed up as bowl of alphabet soup. He loves Sandra, who always says "Gee," and hopes to marry her in 20 or 30 years when she gets old enough.

Bat flies madly around in search of the werewolf. He attempts to kill it, not knowing that the werewolf is Sandra, but Sandra lets out a "Gee" just in time. Just as she says "Gee" the knife Bat threw whizzes by her head. It was what you might call a "Gee-whizz."

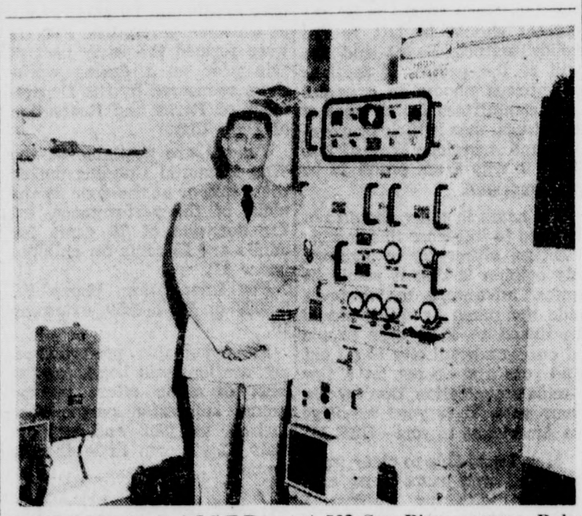
Through all this, "young" Mamie Van Doors is taking in the drag races at the local drive-in. Unbeknownst to her, dope has been planted in the hub caps of her boy friends car. She is jailed and let out almost immediately afterward as Minestrone makes hash of the bad guy's face with his "knucks."

Van Doors swings the jail door open and it accidentally strikes Minestrone in the noodle. Sandra Gee believes Minestrone and Van Doors were opening a love affair and turns into a werewolf.

After Bat Hunter gives her a coke, lump of sugar and plays "Sweet Sixteen" to a rock and roll tempo, she is turned back into a human being.

She grabs Minestrone around the neck and shouts "I'm glad I returned because I Were a Teen-age Waswolf."

If this doesn't work out I have another entitled, "The Day Kookie Turned Into A Beachcomber."



DOHRMAN S. KAISER, a member of the staff at the U.S. Naval Reserve Training Center at San Mateo, has been appointed to the grade of chief electronics technician by the Chief of Naval Personnel. Kaiser was one of 20 first class electronic technicians who were successful in service-wide competitive examinations in February this year. Kaiser resides at 562 San Diego avenue, Daly City, with his wife Catherine and their two children, Catherine Lucy, 4, and Danial Stephen, 2. Kaiser is a veteran of over 13 years active naval service covering both World War II and the Korean War. His duties at the local naval reserve training center consist of instructing local naval reservists in the field of electronics.

David C. Prater Of Colma Graduates From Naval Center

David C. Prater, son of Mr. and Mrs. Henry C. Prater of 1240 Hillside boulevard, graduated from recruit training July 22 at the Naval Training Center in San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

Guide Dogs 'Field Day' At San Rafeal

Whether or not they are raising a Guide Dog, all 4-H members are invited to the annual 4-H Guide Dog Field Day, Thursday, August 4, at Guide Dogs for the Blind, Inc., in San Rafael.

William F. Johns, executive director of the Guide Dog School, announced today that approximately 100 4-H puppy raisers have accepted the invitation to show their "adopted" pups in the Field Day competitions.

The pups will be judged following the opening ceremonies at 10 a.m. Each dog will be scored individually, and the winner of each class will be eligible to compete for one of the two trophies that are annually awarded for obedience and showmanship. All competitors will receive ribbons.

The potential Guide Dogs will be judged in six classes this year: three months old; over three but under six months; over six but under nine months; over nine but under twelve months; over twelve months; and breeding stock.

A picnic lunch will be served on the 11-acre campus at noon by hardworking volunteers who contribute much time and effort to the Guide Dog organization.

"This yearly competition gives 4-H boys and girls a chance to show how well they've trained the dogs that are given into their care," said Johns, and added, "It's a good chance too for other 4-H members to learn what is involved in 'adopting' one of our pups. We urge all 4-h-ers to come. We're expecting youngsters from as far away as Salem, Oregon, and Brawley, California."

Clarence F. Pfaffenberger, chairman of Research and Puppy Placement, is working with the University of California Agricultural Extension Service and the U.S. Department of Agriculture in planning the event.

Family Night, Open House At Parks Aug. 1-2

Daly City Parks and Recreation Department invites all parents and their children to attend the Open House and Family Nights being held at the various parks and school recreation sites in the city during the week of August 1-5.

This Open House and Family Night is held to provide parents the opportunity of meeting the Recreation Leaders, seeing what takes place during the day at the various playgrounds, and viewing displays of arts and crafts projects done by the children.

Another big part of the evening will be the Talent Show where the children of the area will display their acts before the audience. The winners of the show will represent their playgrounds at the city-wide recreation round-up at the end of summer. Parents are also urged to take part in some of the games and activities that will be offered during the course of the evening.

The Open House and Family Nights will start at 7 and end at 9 p.m. They will be held during the following dates at these sites:

Aug. 1 — War Memorial, Marchbanks Park, Woodrow Wilson School at the War Memorial.

Aug. 2 — Colma School, Vista Grande School at Colma School.

Aug. 2 — Westmoor High, Northridge Park, Thomas Edison School at Westmoor High.

Aug. 2 — Westlake Park, Olympia School, Westlake School at Westlake Park.

Aug. 2 — Crocker School, Lincoln Park, Frankfort Park at Crocker School.

Aug. 2 — Vista Mar School, Palisades Park at Vista Mar School.

Ronald Chiappari Of Colma Recites Vows With Marilyn Patenaude

Ronald Chiappari of Colma exchanged vows with Marilyn Patenaude of San Francisco on July 4 at St. Peter and Paul Catholic Church in a ceremony officiated by the Rev. Father Armand Oliveri.

The bride is the daughter of Mr. and Mrs. Arthur J. Patenaude, 327 Garces drive. A graduate of St. Rose Academy and the San Francisco College for Women she is employed in the San Francisco elementary schools system. Her sister is Mother Mary Sylvia of the San Franciscan Missionaries of Mary.

Ronald, son of Mr. and Mrs. Mario Chiappari, 1541 Edgeworth avenue Colma, attended St. Ignatius High School and is a graduate of University of San Francisco. He works at Town and Country Market in Westlake.

Miss Jane Lubchenko attended the bride as maid of honor. Bridesmaids were Joan Bianchi, Mrs. Michael Carrigan, Ketty Pierce, and the junior bridesmaid Diane Nevelo.

Edward Riordan was best man. The ushers were Edward McCambridge, Jim Casossa, Al Boro, Wayne Milani, George Shanbarger and Gary Nevolo.

The couple spent their honeymoon at Disneyland and Las Vegas.

A MASTERPIECE — Bonnie Jensen, (seated) Miss Daly City, threatens to add some finishing touches of her own to one of the paintings entered in the Peninsula Art Association's Fiesta show as Marian Sinton (left), PAA president, and George Mosel, show chairman, look on. Linda Gray, (right) Miss Menlo-Atherton who, like Bonnie, is interested in painting, gives her moral support. Mosel and his crew are constructing their permanent fine arts gallery to house the expanded art show held during the San Mateo County Fair and Fiesta, August 5-13.

BAY AREA-WIDE

What's Going On In Entertainment? Dial Two Numbers And Find Out!

Beginning August 1, Bay Area residents will be able to find out what's going on in the entertainment field anywhere in the Bay Area merely by dialing a telephone number: YUkon 2-6698, or OLympic 8-6611.

Entertainment Unlimited, a brand new telephone service operating daily from noon until 2 a.m., will provide information about entertainment — night clubs, restaurants, dancing, movies, theatres, sports—available in San Francisco, the East Bay, Marin, and the Peninsula. Here is how it works:

On and after August 1, you may dial Entertainment Unlimited, YUkon 2-6698 or OLympic 8-6611. When the Entertainment Operator answers you may ask for information about specific places or you may ask the operator to name the kinds of entertainment available. You may ask for a certain kind of food in the area you wish to visit. You may ask where a certain movie is playing, or what's on at your favorite theatre. If you wish to know where you can go dinner dancing or what are the price ranges at various places, the Entertainment Operator will tell you. You might wish to know which restaurants are open after 2 a.m., which restaurants deliver, or which restaurants are particularly suitable for families with children.

Entertainment Unlimited will give you the who, what, when, and where of Bay Area restaurant and entertainment facilities with just one phone call. Using this unique service is as simple as dialing for the weather or the time. It will particularly please those who like to remain in an easy chair while deciding what to do for the evening. It will save the many phone calls to find out movie starting times, and it will eliminate the tiresome task of phoning one place after the other to make sure they are open, to find out what's on, to ask if there is a door charge or minimum.

Eagles' Ladies Outline Plans For This Fall

Ladies of the Daly City-Colma Eagles 1848 Auxiliary met recently to map plans for the fall season.

The annual Aerie picnic is set for August 28 at Skippers Park. August 31 is the Auxiliary's deadline for its annual calendar name and ad contest. Alberta Diebel is in charge.

The unit's annual bazaar will be held in October. Profits go to the Christmas fund for needy families.

Mrs. Diebel, president last year, reported on the zone conference and "a very good past year."

Bowling trophies went to the Auxiliary for bowling attendance over a five-months period, to novice standout Carol Courtney, and to Marie Claussen for low score.

President Midge Fehe was on vacation and vice president Dolores Warren presided.

MIKE MACDONALD COMPLETES USMC COMBAT TRAINING

CAMP PENDLETON, Calif. —Marine Pvt. Michael W. MacDonald, son of Mr. and Mrs. Cyril J. MacDonald of 367 Woodrow street, completed four weeks of individual combat training June 28 at the Marine Corps Base.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Verne F. Buer Wedding Set In New York

Mr. and Mrs. Thomas B. Kiely, 17 Roosevelt court, Cohoes, New York, have announced the engagement of their daughter, Miss Eldora Kiely, to Verne Francis Buer, son of Mrs. Lillian C. Buer and the late Andrew G. Buer of Westlake.

The wedding will be held on July 30 at St. Marie's Church in the eastern city.

Miss Kiely attended Cornell University and Russell Sage College, and she did graduate work at McGill University in Montreal and the University of Valencia in Spain.

Buer is a graduate of University of San Francisco and also did graduate work at the University of Valencia. He is associated with the U.S. Gypsum Company of San Francisco.

Verne's sister, Mrs. Arthur Colman of Westlake, left by plane last week to visit her sister in Norfolk, virginia, and also to attend the wedding in Cohoes, New York.

Temple Methodist Announces Vacation School Registration

Temple Methodist Church, 1111 Junipero Serra boulevard, San Francisco, will conduct its annual Vacation Church School from August 8 through 19, 9:30 a.m. to noon on weekdays. All youth 4 to 14 are invited to attend the two-week session. Registration may be made at the church or by calling JU 6-1444. There is a fee of $1 per child or $2.50 for three or more children in a family. Mrs. Frank Costanzo is Vacation Church School Superintendent.

The themes for the school will be: Kindergarten, "Together In Our Church;" Primary, "Everyone Needs A Church;" Junior, "The Church Around The World;" Junior High, "The Church In Today's World."

'Open Mind Towards Art' Theme For County Fiesta Exhibition

More liberal entrance requirements should "broaden the base of participation" in the 12th annual PAA Fiesta art exhibition August 5-13, according to George Mosel, chairman of the art show.

"We have been criticized for having too exclusive a show in the past," Mosel said, "so this year we are limiting the entries to two works by each artist, regardless of media. This should let more artists take part."

The theme this year will be "Open Mind Towards Art."

Members of the Peninsula Art Association constructed their permanent fine arts gallery this week at the main building at the San Mateo County Fair and Floral Fiesta grounds. It will be ready in time for the exhibit committee to accept entries July 29-30.

"We have needed a setting appropriate to the exhibits for a long time," Mosel said, "and we want to increase the number of artists in the show too."

To do this, the entry fee has been reduced to $1 per entry for all non-members.

A jury will select an estimated 135 items July 31 which the judges consider the best works from all schools of thought and expression. From these, the grand award and prizes in oil painting, water color, caesin, pastels, and temperas, sculpture, graphics, and mosaics suitable for hanging will be awarded.

The judges selected for this year's art show are Mrs. Edith Smith, a former art instructor at the University of California who has exhibited in New York and Paris, and Ralph Putzker, who teaches art at San Francisco State College.

Mosel's committee plans to include educational displays and lecture tours for the peak hours of the show.

Art teachers and other qualified personnel will conduct the tours, Mosel said, in hopes that an "Open Mind Towards Art" will bring knowledge and excitement to the viewing public.

Penney's Offers Charge Account Plan Here Beginning August 1

Don Davis, manager of Penney's in Westlake, announced today that his store will offer credit facilities to customers beginning on Monday, August 1.

The Penney credit plan will make available to customers the newest type of charge account in both Penney's charge account and the Time Payment Plan.

The Penney's charge account is a 30-day charge account which makes it possible for a customer to pay an account in full within 30 days of billing date without a service charge. This plan also provides an option for customers who wish to spread payments over a longer period. Each month a bill is received the customer can pay it in full, without service charge, or pay a designated amount and extend the balance over a longer period. Minimum amounts vary from one-fourth to one-sixth of the total bill.

The Penney Time Payment Account is designed for higher-priced apparel with a unit price of at least $49. For those accounts the minimum payment will be $10 per month and the account may extend to a maximum of 10 months. Home furnishings items with a minimum unit price of $30 may also be purchased on a Time Payment Account. For these accounts minimum payments will be $5 and accounts may run to a maximum of 18 months.

Davis emphasized that the credit plan will in no way charge the Company's long-standing, low mark-up policy for customers who wish to continue to make their purchases on a cash-and-carry basis.

Penney's first started their credit operations in 1958 with 24 stores after 56 years of operating on a strictly cash-and-carry basis. In 1959 169 more stores were added to the group. By the end of 1963 all of the nearly 1,700 Penney stores throughout the country are slated to offer charge accounts. About 600 stores will be offering credit by the end of 1960.

William H. Bricker Of Daly City With Marine Air Wing

Graduated from the First Marine Aircraft Wing's Log and Records School June 17, at the Marine Corps Air Facility, Iwakuni, Japan, was Marine Acting Cpl. William H. Bricker, son of Fred J. Bricker Sr., of 313 Peoria street, Daly City, and husband of Mrs. Carmen C. Bricker of 2027 Pacific avenue, San Leandro.

Before enlisting in October 1956, he attended Jefferson High School and was employed by Eastman Kodak Company in San Francisco.

The two-week course is designed primarily for personnel in occupational fields dealing with aircraft maintenance and engineering.

Better Business Bureau Studying Peninsula Move

At a meeting of the Better Business Bureau executive committee today, preliminary approval was given to plans to increase the Bureau's service to business men and consumers in San Mateo County.

Beginning Monday, July 25, Charles B. Beasley, Rear Admiral USN (retired)—a Peninsula resident — will interview San Mateo County business leaders to make a personal survey of needs and desires of the community with regard to the opening of an office in the county. Beasley is Executive Assistant to Vernon A. Libby, General Manager and Executive Vice President of the Bureau, the San Francisco office of which is located at 414 Mason street.

"Responsible business leadership has expressed a desire for the further expansion of Bureau services on the Peninsula," Libby stated today "An important part of the day-to-day Better Business Bureau service is now being rendered to residents of San Mateo County. The survey is to determine whether or not an office should be located in the county to facilitate personal interviews," Libby said.

Westmoor PTA Lists Plans For New Term

Mrs. B. W. Pulsifer, first vice president and program chairman of Westmoor High School PTA, today outlined plans through next June.

The program committee met and discussed plans for the school year 1960-61. Committee members are as follows: Mrs. Pulsifer, chairman, Palmiro Nolli, PTA president; Mrs. Gene Sebastiani, Mrs. Edward Perry, Glenn South, principal of Westmoor High; Jim Cooper, and Miss Margaret Riggs, Dean of Girls, Westmoor High.

Student participation covering interesting high school programs will fe featured in seven out of the eight regular meetings to be held by the PTA.

The September 29 regular meeting will be "Getting Acquainted Night" with high school open house for parents and friends. A fall reception honoring freshman parents is set for October 20, a night meeting. On November 17, "A Night For Singing" will feature the high school choral group under William Ardis.

The December annual holiday dinner and basketball contest between faculty and students will be a PTA fund-raising event. The January 19 meeting will highlight "Student Government in Action." Founders Day will be part of the February 16 program, also the high school band will set the tone for "A Night For Music" at the meeting. On March 16, "A Night For Fun" will feature mock student rally for the PTA attendees. The annual fashion show and tea will be held on the afternoon of April 20 at Westmoor High.

A "Night For Sports" on May 18 will feature the high school physical education program and will be the last meeting of 1961.

The PTA meetings are held on the third Thursday of each month during the school year except September and December and are at night with few exceptions. Meetings start at 8 p.m.

St. Francis Heights Resident Appointed To Highway Patrol

Robert J. Fjetland, 28, of 85 Santa Elena avenue, Daly City, has been appointed to the California Highway Patrol and has been assigned to the Patrol's Academy in Sacramento for 12 weeks of training.

The new traffic officers will receive instruction in more than 50 subjects related to traffic law enforcement. Emphasis is placed on the California vehicle code, traffic supervision, accident investigation, first aid, preservation of evidence, court systems and legal procedures, and equipment operation and maintenance. The current class is made up of 90 men from all parts of California.

Fjetland, a veteran of service wtih the Coast Guard, is married and the father of two children.

CANADA GEESE

Canada geese mate for life, according to the National Automobile Club, and family units stay together until they return north in the spring.

Legion Post 410 Busy Even During Summer

Members of Daly City Unit 410, American Legion Auxiliary, participated in much activity during the month of July and expect to be just as busy in August. At the installation of new district officers, held in Brisbane, serving the District from Daly City 410, will be Margaret Kenny, District treasurer; Catherine Foreman, resolution chairman, and Vivian Pahlka, community service chairman.

At the 8&40 installation held in Burlingame, Grace Hill will serve as Chapeau Dusieme—Vivian Pahlka, sunshine chairman, and Rose Giorni, budget chairman. All are active members of Daly City Unit 410.

August 3, the first general meeting of the new year, will be held at Daly City 410 American Legion Hall, 474 San Diego avenue. President Rose Giorni will appoint her chairmen for the new year and outline the program.

Post 410 members are very proud of the baseball team, sponsored by the Post, from Jefferson High School. On July 31 the team will be at Marchbanks Park, playing an afternoon game with boys from the Millbrae American Legion Post 417. The public is invited to attend this game free of charge.

August 12 will find a delegation of guests from Post 410 in South San Francisco, attending the installation of new officers of that Post.

CARMEL HONEYMOON

Miss Faye E. Orovitz Weds Gary T. Blatt At Lakeside Church

Faye Elizabeth Orovitz of Daly City and Gary Thomas Blatt of Oakland exchanged wedding vows recently in a ceremony at Lakeside Presbyterian Church.

The couple went to Carmel for their honeymoon, then motored to Olympia, Washington, where they have established residence pending the completion of the groom's tour in the Army.

Faye is the daughter of Mr. and Mrs. Herman Orovitz, 167 West Moltke street, and the sister of Jack Orovitz of Daly City and Bernard Orovitz of San Jose. Her grandfather was the late Isaac Silverstein, and her grandmother, Mrs. Sophie Silverstein, resides in Los Angeles.

The bride was graduated from San Francisco State College last year and is employed by the Laguna Salada School District in Pacifica as a teacher. She is a member of Kappa Theta sorority.

Gary received his B.A. degree in business administration from San Francisco State in 1958. His grandparents are the late Captain Julius Blatt and Mrs. Julius Blatt of Castro Valley, and Mr and Mrs. Thomas B. Reavely of Oakland. He is affiliated with Sigma Chi Delta fraternity.

Marianne Zanone of Daly City, Faye's sorority sister, was maid of honor. The bridesmaids were Janet Jaegeling and Barbara Weiss of San Francisco and Mrs. Robert Dowdle of Daly City.

Ronald J. Smith of San Francisco served the groom as best man. Robert G. Bradley of San Francisco, Fred J. Blatt Jr. of Santa Rosa, and Paul L. Waaland of Oakland did the ushering.

The wedding reception was held at Brentwood Lodge in South San Francisco.

Free Polio Shots

The San Mateo County Health Department will give free polio shots to residents of Pacifica and adjacent areas on Saturday, July 30, and again on Saturday, August 27, from 8:30 a.m. to noon, it was announced today. For further information, call FLanders 5-2035.

VFW RECRUIT DRIVE

Mayor Frank Pacelli 'Enlists' As New Member Of Old Glory Unit

Old Glory Post 2044 and its Ladies Auxiliary are quite pleased with early returns on the membership drive which will run through the summer months until October. Heading the list of new members signed up for membership in the Post and Auxiliary is Mayor Frank P. Pacelli of Daly City.

Membership in the V.F.W. posts are restricted to male officers and enlisted men, and those honorably discharged, who have served in the United States Army, Navy Marine Corps, Air Force, or Coast Guard, in any foreign war, insurrection or expedition for which this government has issued a campaign badge.

V.F.W. members include veterans of the Spanish American War, Chinese Boxer Rebellion, Philippine Insurrection, Cuban pacification, armed campaigns and expeditions in Mexico, Nicaragua, overseas men of the First and Second World Wars, and the fighting in Korea. These men represent all walks of life and military personnel, from the buck private to the five star general.

Included as members in the Veterans of Foreign Wars of the United States, well known names such as Admiral Chester Nimitz, Omar N. Bradley, and Supreme Court Justices Frank Murphy and Harold Burton. More than 250 members of Congress are active V.F.W. members. Approximately 10,000 V.F.W. units are located in all states, the District of Columbia, France, Puerto Rico, the Canal Zone, Hawaii, Manila, Japan and Alaska. About 7000 posts have units of the Ladies Auxiliary to the Veterans of Foreign Wars, members of which are the mothers, wives, widows, sisters and daughters of men eligible to join the V.F.W.

On Sunday, July 21, Commander Peter J. Becker, and his wife Rose, together with Pat M. Fawcett and Anna Roemer, representing Old Glory Post 2044 and Auxiliary, spent a most enjoyable afternoon, in Yountville, at the "Old Soldiers Home." The day was turned over to the V.F.W. Cooties, and Cootiette's, who arrived at the home with loaded carloads of clothing, books, etc. plus large picnic lunches, which were shared with the "old soldier inmates." An enjoyable program was staged by the visiting delegation.

Eligible applicants are invited to call the following numbers, DE 3-5696, MO 4-9015, DE 3-3749, PL 5-1562, for further information about membership.

Facts about CALLAN PARK

Information Report #3

YOU ARE BEING DECEIVED ABOUT TAXES!

A well financed band of obstructionists are saying that annexation of Callan Park with its huge and profitable shopping center will raise your taxes. This is not true. Let's look at the facts:

① **Westlake,** also originally opposed by obstructionists, is now returning to Daly City many thousands of dollars more per year in taxes, licenses and fees than it costs to provide city services to the area.

② Mayor John Conway of **El Cerrito** reports: "Our city sales tax revenues have more than doubled since our shopping center opened."

City Manager Kenneth Smith of El Cerrito said that sales tax revenue jumped from $135,000 in 1957 to $308,900 in 1959 when the center was in full operation.

Conway and Smith said that the $8 million El Cerrito Plaza is now supporting a large part of the residential section of the their city. **THEY AGREED THAT A DEVELOPMENT THE SIZE OF THE $37 MILLION CALLAN PARK SHOPPING CENTER WOULD SUPPORT MANY THOUSANDS OF HOMES AND PROVIDE REVENUE TO BUILD UP A RESERVE FUND FOR CIVIC IMPROVEMENTS.**

③ **Callan Park** when completed will return an estimated $400,000 per year to the city over and above cost of services. The shopping center in particular, like an industrial area, will be especially profitable to Daly City.

NOW...WHAT DOES THIS DO TO YOUR TAXES?

No one can tell you today what the tax rate will be in 1965!
WHATEVER THE TAX RATE WILL BE... IT WILL BE LOWER WITH THE TAX PROFIT REVENUE PROVIDED BY CALLAN PARK THAN IT WOULD BE WITHOUT THIS INCOME!

To REALLY Keep Your Taxes Down

NOTICE OF TIME AND PLACE OF HEARING OF APPLICATION FOR USE PERMIT

WHEREAS, pursuant to Ordinances No. 294 and 362 of the City of Daly City, California, an application for use permit under Ordinance No. 294 has been filed for a rest home on the following described property;

YOU ARE HEREBY NOTIFIED that the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said use permit for Tuesday, the 9th day of August, 1960, at the hour of 8:00 p.m. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Planning Commission will hear any evidence offered by any person interested in or objecting to said use permit.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

3280 San Jose Avenue, Lot 30, Block N, Mission Street Land Company.

DATED: July 25, 1960
Roy W. Foster

Ordinance No. 519

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294, and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City requires that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning;

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to C-2 from an Unclassified classification.

Lots 1, 2, 3, and 4, Block 5, and Lots 1, 4, and portion of Lot 3, Block 6, as shown on that certain map entitled "School House Homestead Association," located north of Pierce Street between Edgeworth and Sullivan Streets (the recently annexed Fuchs-Olcese property).

This ordinance shall be published one in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 13th day of June, 1960.

Passed and adopted as an ordinance of the City of Daly City the 25th day of July, 1960, by the following vote:

AYES, Councilmen: DeBernardi, Dennis, St. Clair, Verducci, Pacelli

NOES, Councilmen: None

ABSENT, Councilmen: None

Evelyn Mosman
City Clerk of the City of Daly City

APPROVED:
Francis P. Pacelli
Mayor of the City of Daly City

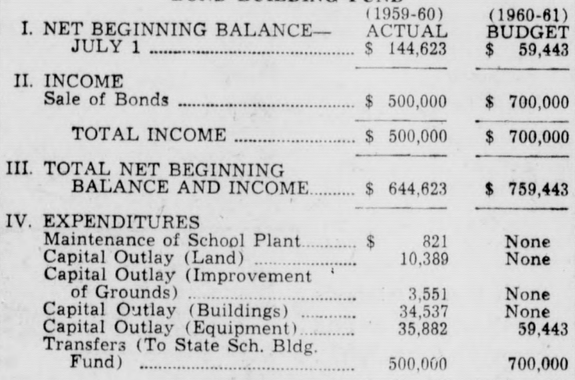
GOT SLUGGISH APPLIANCES?



You May Be Starving Them to Death!

Your appliances demand a steady diet of electricity. They can't do a *complete* job for you unless they're getting a *complete* supply of power. So... if you're not satisfied with the way your appliances work, look to your wires. Out-of-date wiring just can't carry the power needed by today's household appliances.

Feed your appliances well — they'll do a better job for you. Call us today for a FREE electrical check-up. No obligation!

My Husband lives better Electrically-too!
"Live Better Electrically" has been considered a slogan for the home, where wiring for full Housepower puts the magic of electrical convenience at a wife's fingertips and wiring in conduit assures perfect safety. But, the slogan applies to my husband, too. His business is more profitable since the electrical contractor installed Certified Lighting. It attracts more customers, increases sales, and improves employee productivity by providing cheerful, well-lighted surroundings.
For Housepower, Certified Lighting, or any electrical need

BOWLING GROUPS such as these five women help to make the Police Athletic League Bowling Tourney, currently being held at the Westlake Bowl, a success. From left to right are Mary Adams, Pat Garcia, Dorothy Moyle, Grace Marconi and Florence Theemann. The PAL Tourney ends on August 6.

Pitcher Katona, Tosser Pettit Lead Oceana List Of Athletes

A number of former Westmoor athletes will be playing under the yet to be determined colors of Oceana this Fall.

Leading the outstanding list are baseballer Don Katona, a second team All-Peninsula League pitching choice, who recorded a 5-0 varsity mark, and Ralph Pettit, sterling 103 pound wrestler.

Others held in high esteem by PE Department Head Floyd Gonella are.

Football: Halfback Dennis Caruthers, center Manuel Pick, guard Ken Murphy, halfback Jim Buckner, end Dewey Melton, and tackles James Buchanan, Mike Lally, Robert Ashin, Bob Evans.

Baseball: pitchers Katona and Roland Isnor, outfielder Fred Mason, catcher Bob Simons, infielder Joe Gardner.

Track: Dash man Kim Post, 330 man Jim Boyette, shot putter Bob Evans and cross countryist Jim Beeler.

A number of others, who may be vying for first string football positions, are:

Joe Archer, John Tabori, David Harris, Gary Arudo, John Salerno, Ken Hargrave, Dean Greer, Ed Ambiel, Charles Oakley, Robert Rinaldo, Bob Marks, Joe Gardner, John Cook, Jerry Jones, Don Cook, Randy Walley, Martin Gavin, Bob Pettit.

Danny Gentry, Warren Roberge, Ralph Black, Ronald Ball, Bill Hensley, Jerry Brooks, Ray Kulp, Keith West, Al Smith, Terry Warnock, Gary Prince, Fred Smith, Donald Goodsell and Ken Kirkland.

Gonella is readying a five game schedule, Westmoor and Jefferson being two of the opposing teams. The Oceana squad will be in the Junior Varsity stage previous to moving up to varsity ball. Jesse Jones will assist Gonella with the football team.

Dragster Travels 176.42 MPH For Quarter Mile Run

Jim McLennan announced today that drag races will be held at the Half Moon Bay dragstrip, near the airport, Sunday in a benefit for the Boys Farm of San Mateo County.

Trophies will be awarded winning drivers who may enter for the participation fee of 75 cents. Spectators admission price is $1. For further information contact either McLennan or his partner, Don Smith, at the Champion Auto Parts, 1685 Mission road, Colma, or by phoning PL 6-2526.

McLennan, along with Ted Gotelli who owns a trucking company in San Bruno, is the owner of the "World's Fastest Chevrolet." Jim has been clocked at 176.42 miles from a standing start to a quarter mile run.

Holder of more than 250 trophies, McLennan has raced the powered dragster throughout the country and beaten all cars in its class. McLennan, 27, 167 Mariposa street, won first place at Cotati's drag races on July 17, zooming to first place ahead of 10 other cars.

ADVANCE TICKET SALES HEAVY FOR ICE FOLLIES

The one millionth spectator for the 1960 edition of the Ice Follies was registered in January while the show was playing Madison Square Garden in New York with 60 per cent of its schedule still ahead. All-time records for any ice show were set in Philadelphia with attendance of 132,947 and at Madison Square Garden with 171,460.

Ex-Jeff Gridder Sinks Hole In One At Northwood

A former Jefferson High School football end put the finishing touch on a hole-in-one at the Northwood Golf and Country Club, located near Guerneville, last Saturday.

Len Monson, 24, 52 West Cavour street, an auto salesman, knew where he was driving when he clipped a 167 yarder into the No. 8 hole while using a 6 iron. Monson, only golfing four months, has already won one tourney, the first he competed in. He captured first place on the third flight at the same course during June.

Two weeks ago he finished third in the Director's Tournament. He had warmed up for his hole in one by rimming the cup during that play. His golfing partners, Dick Crest, of San Bruno, and Mike Del Campo, 44 Station avenue, were only two of 17 witnesses to his dazzler last week.

It was the first hole in one in over a year at the course. Monson played football for Jeff from 1949-53, then attended San Mateo Junior College and also played semi-pro football with the Seattle Ramblers.

Lon Simmons, Bob Fouts To Handle 49er Broadcasts

KSFO Sports Director Lon Simmons and Bob Fouts will again team up as the Golden West Network sportscasters, it was announced by KSFO Vice President and General Manager William D. Shaw. This well be the third year Simmons-Fouts have quarterbacked the 49er action for Golden West.

The 49er exhibition season starts Saturday, August 6, in Seattle, when the 49ers meet the new Dallas Cowboy team. Game broadcast will be 2:55 p.m. The 49er Clubhouse show will start at 2:40 p.m.

Sponsors of the 49er games include Falstaff Brewing Corporation, Dual Filter Tareyton Cigarettes and Safeco Insurance Company.

SPORTS SPIN

By LOU LUCIA

COACHES HAVE VARIED JOBS: Westmoor's coaches summer jobs range from selling flowers to working as guards for an armored car service. Roger Miller and Pete Matisi, JV and varsity football coaches, are the "armored men" while Oceana PE Department Head Floyd Gonella works at a nursery. Lightweight basketball mentor Byron Van Aistyne is said to be taking it easy on the golf links, "trying to get the big darn ball in that little hole." Westmoor PE Head Tony Giammona is the only one in the recreation field during the summer. He takes care of the Westmoor High School gymnasium. Baseball Coach Rod Losberger has flown back to Wisconsin but Gonella says Rod is working at a cheese factory there. Don't know whether what Gonella says is true or not, but maybe it's Swisconsin cheese.

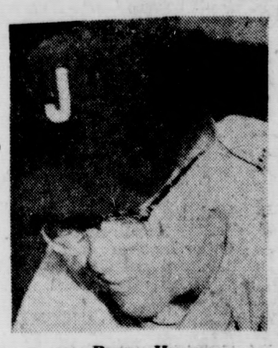
★ ★ ★

JEFF'S GOLF GRADS OUTSTANDING: Mike Orlich, department head and current golf coach at Jefferson, says that graduate golfers of the local school could take on a group of pros and putt away winners. He named Bob Silvestri, Ed Castagnoli, Daly City Police Chief Roland Petrocchi; Officer Art Linhares; President of the Lake Merced Golf Course George Gnau; Pro at the Salt Lake City Golf Course John Geersten, a four year Peninsula League medalist while in school; and George Fair, head custodian at Westmoor currently, who was not only excellent in golf but won the PL batting championship in baseball as well. His son Jimmy is currently at Jeff and will keep the name high on the list of good golfers on the fairways. Orlich says there are many others too numerous to mention.

★ ★ ★

McGRATH HAS DOUBLE TROUBLE: Jeff's footballers were able to win but one game last year but certainly don't get any breaks this Fall. McGrath's charges face Hillsdale (5-2) in the loop opener at Jefferson on October 14 and then travel to Capuchino (7-0) the following week to meet the Peninsula League champs. The schedule is bound to get easier after those first two tilts.

★ ★ ★



. . . Barry Haanen

SHORE HITTING: Currently batting them out for Brisbane in the semi-pro baseball Bayshore League is Barry Haanen, former Jeff High star. Haanen has been performing well afield and sticking well. The entire Brisbane team is made up of Jeff grads and are holding down first place in loop play. If they take the marbles they advance to the California State semi-pro baseball tourney.

★ ★ ★

WINNAH AND STILL CHAMPION: Don Smith of the Champion Auto Parts, 1685 Mission road, asked if we could give a plug to his co-partner Jim McLennan, generally recognized as one of the top five drag racers in Northern California. We hope the "plug" he was speaking about isn't the "spark" type as we have just enough to keep the old buggy running.

★ ★ ★

OVER A MONTH BUT STILL GLOATING: It's been more than a month since Broadmoor Police Department won the J. L. Snell Recreation Softball League but they're still gloating over it. Members of the winning club were Police Chief Ray Savage, Officers Chuck Manning, Merrill Baxley and Al Nickas, Police Commissioner Harry Brown, Reserve Officers Tom Gonzales, Jerry Schaeffer and George Shinazy, and Plainclothes Citizens John Murphy, Charley Fleischer, John Hess and Kent Smith.

★ ★ ★

CHAPMAN IS A SPORTSMAN: City Engineer Bill Chapman is ired by sports pages that give a couple paragraphs to a track record setter while headlining "Casey Stengel Sets New Record For Trips To Mound." Chapman is a track filbert. ("Filbert" is a high class term for "nut"). Almond-toned speaking Bill is as sturdy as a hard-shelled walnut when other sports are given the big play over track. Chapman said you could have heard a "chestnut" fall before John Thomas cleared his 7-3¾ high jump at the Olympic trials. Bill, natch, was a spectator at the Stanford Stadium trials. Incidentally, Bill was a varsity wrestler at the University of Illinois during his collegiate days.

One-Hit Pitchers Feature Opening

Sixteen teams opened play in the two divisions of the Department of Parks and Recreation's 1960 Summer Midget Leagues last week.

The American Division found Holy Angels' Rock Collins pitching a mastering one hitter to defeat the BYA Bullets, 4-0. Collins' no hitter was broken up by the Bullets' pitcher, Jeffrey Bernard, after 5⅓ innings. Backed by a solid defense, the winners were only able to pick up five hits themselves. Collins and John O'Dea had two each and Jim Hart had the other.

Art Colvin BYA defeated the Misracks Bombers by the tune of 21-5. Pitcher Billy Thompson struck out 11 Bombers. Don Burdick homered for the winners.

Alan Stanley turned in the second one hitter of the week as the PAL Yankees shut out the O.L.M. Cubs, 9-0. Stanley struck out seven Cubs. Dave Blaney hit a two run homer for the winners.

San Pedro Lunch, spring National League Champs, opened the National Division of the Summer League by defeating Tower Market, 11-0. Pitcher Jerry Benson scattered three hits and Bill Shelver belted two triples and two singles in four at bat to lead San Pedro. Billy Radford hit a three run homer for the winners.

Hughe's Texaco, winner of the Spring American League, also started off on the right foot. The Texaco Club beat the Misrack "A" team, 9-2, behind the two hit pitching of Steve Lee.

No other scores were available at press time.

Games for the Midget American and National Divisions are scheduled for Tuesday, Wednesday, Thursday, and Friday evenings at both Westlake and Marchbanks Parks.

368 Arrested For No Fishing Tags During Last Month

Fishermen were warned again today that Fish and Game Wardens are going to continue concentrating in issuing citations for fishing without a license. Parts of the State have shown an increase in the number of this violation over last year, with one region reporting 368 arrests last month alone.

A basic $3 angling license is required for fishing in all coastal waters and for taking amphibia. For fishing inland one $1 stamp is required for taking warmwater fish and two $1 stamps are needed for trout fishing. There are no exceptions.

PAL Bowling Roaring To Climax; Gals Hitting Very High Scores

Either the bowlers are getting better or the good old summer fog has pepped up the lanes at Westlake Bowl in Daly City as Johnny Swanson reports an unusual series of high games both in league play and in the Police Athletic League benefit tournament, now in its next to last week.

The gals are posting high scores with regularity now. Last week in the Ladies' 600 Scratch Fours eight, count 'em, eight girls, rolled over 500. They were: Jerry Johnson, Deernardi Flying A team, 197-561; Nellie Witt, Barrett Construction, 200-542; Ro Waz, O'Brien - Sportorno, Mitchell, 197-534.

Bonnie Blake, Denhard's Market, 205-531; Frances Mar, Denhard's, 184-501; Opal Richards, A. L. Nursery, 187-529; Pauline Houst, A.I, 220-524; and Marge Brown, Sai Wu Chinese Food, 528.

Monday through Wednesday the men were equally good with seven Westlake keglers bowling over 600. They were: Frank Mezzanotti, Mardec, 223-618; Al Pettigrew, Epstein & Son, 247-643; Al Palmer, Builders' Exchange, 243-633.

Bill Pond, G.E.C.C. Debit, 235-602; Andy Maccagno, New Mission Market, 215-615; Claude Strazzabacco, Peninsula Motors, 255-621; and Ron Rasmussen Thriftfood Market, 214-646.

Jerry Johnson, whose 561 made her "Bowler of the Week" at Westlake, ought to be good. She bowls in three leagues on Thursdays, one at 9:30 a.m., another at 1 p.m. and the third at 6:30 p.m. Thursday is a busy day for Jerry.

Bob Balestrire, Steigerwald Tie For Record With 574 Series

Last Saturday Bob Balestrire and Carl Steigerwald blew the top right off the Junior Boys league with record tying 574 series. Carl's games were 192-210-172. Balestrire rolled 182-160 for his first two. In the third he strung five in a row and finished out with an assortment of strike and spares that added up to a whale of a 232 game. Other hot bowlers in that league were John Bartelmez at 531 and Jim Fisher at 504. Larry Tomassini looked as if he would roll that much-awaited 600 series as he started things off in the first game with 202. In the second and third he slumped to a 137 and a 140 for a 479 series.

Also in the Juniors, Den Druhe's ball was working well for him as he recorded games of 187-189-181 for an AJBC award winning 557 series.

In the spirited Junior Girls League, Sharon Sylvester was tops with games of 159-135-167 and a series of 461. Meanwhile, in the Bantam Boys league sparks were flying in all directions as two brothers proceeded to blister the boards with high series scores. Steve Ross and his brother, Tom Ross, rolled series of 314 and 340, respectively.

The 340 by Tom now stands second high for Bantam bowlers at Westlake. Ron Sherman also came through with a respectable 301 series. That's a feat of considerable significance because this little fellow is barely big enough to pick up a bowling ball, let alone roll games of 165 and 136.

Senior action took a turn for worse last week. The usually high scoring bowlers slowed down to a trot, but even then the regulars turned in several 500 and over series. Steve Funai's 203 led to his 549 series while Mike Lanier also had a 549 backed by a 200 game. Following close behind was Carl Steigerwald with a 525.

Just after regular league play Saturday, Larry Tomassini, a very ambitious and efficient secretary, plowed to a fabulous 258 practice game. Larry had seven strikes in a row and twice as many witnesses to verify his feat.

In a match game with Castle Lanes the Westlake Bantams dropped three close games but vow revenge next Saturday when Castle comes visiting at Westlake for the return match.

200 Games

Bob Balestrire	232
Carl Steigerwald	210
Steve Funai	203
Larry Tomassini	202
Mike Lanier	200
Bob Doyle	200

Annual Fishing Derby To Be Held At Lake Merced

Daly City-Colma Lions Club, in conjunction with the Daly City Parks and Recreation Department, is happy to announce the annual fishing derby to be held at Lake Merced on August 3. This event has always been one of the highlights of the summer recreation program and promises to be the same again this year.

Winters' Flying A BYA Nine Captures Second Place Spot

A three-way tie for second place in the Daly City Midget Baseball League necessitated play-offs with Jack Winters' BYA Flying A nine coming through with two clutch victories and the runner-up spot.

BYA also gained the only victory over the South Sunset team, loop winners, by a 3-2 count.

The Flying A club beat the OLM Cubs in the first play-off game as a hit and run play with two out in the final inning scored the deciding marker.

BYA scored five runs in the first inning, watched the OLM Cards score three times in the second inning, and then finally captured second place by holding the Cards scoreless enroute to a 10-3 win.

Tim Herbert was the hero of the play-offs, gaining both pitching victories, according to Sam Rizzo, newly elected publicity director for the BYA.

Colvin BYA Nine Shells 'Cousin' Juniors, 20-1

Art Colvin BYA, spring Junior League champs, and the BYA Juniors opened play in the summer edition of the Department of Parks and Recreation's Junior Baseball League on July 19.

The "Realtors" were successful in the first challenge to the title they won last month as they shelled their cousins, 20-1. Bruce Hix paced the winners at the plate with 4 for 4 trips. Ken Torre and Ron Johnson combined to throw a one hitter.

New Pisa beat the San Pedro Lunch Juniors 5-3 behind the 4 hit pitching of George De Lucca. Catcher Steve Moresci banged out three for three for the winners. Junior league games are scheduled at Marchbanks Park Tuesday through Friday.

CORINA CLEANERS UPSET DALY CITY DRUGS IN ADULT SOFTBALL

Department of Parks and Recreation's Adult Softball League entered its final week of regular play Tuesday night with the Daly City Drugs and Sarto A.C. tied for first place.

The Drugs who held undisputed possession of first place last week were up-ended by Corina Cleaners, 10-5. The Drugs collected four runs on seven walks and a couple hits in the first inning off winning pitcher Roger Miller. Miller walked a total of fourteen men but gave up only four hits. Walt Thede (2 for 2) and Tom Cloutier (2 run homer led the Cleaners at the plate.

Sarto A.C. moved into a first place tie with the Daly City Drugs with a 13-0 whitewashing of the Daly City Eagles. Pitcher Wayne Clay scattered seven Eagle hits. Mickey Corso's grand slam home run culminated an eight run Sarto first inning. Hal Seifer also belted one for the circuit.

The Recreation Department moved into a three way tie with Corina Cleaners and Consilidated Schools by waxing the latter, 24-3. The "Rec" men pounded out 17 hits including 3 consecutive doubles by Chuck Vincent on the way to the most decisive win in league play. Bill Carr led the RBI parade with some timely hitting. Rich Watso allowed only four hits in the 6 inning game called because of darkness.

POLICE ATHLETIC League Coaches had to do more than brainwork for the PAL Bowling Tourney currently going on at Westlake Bowl. They rolled the lanes themselves. From left to right are Tony Santos, Richard Brewer, Joe Doyle and Bill Wilson. Proceeds to "Help Build Better Boys" are on a par with last year but will fall behind expectations set this year.

Big Turnout Due For 'Babe' Golf Tourney

A record turnout of San Mateo county golfers is due to participate in the second big annual Babe Didrikson Zaharias Memorial Golf Tournament to be held from August 6 through August 14, today reported local tournament organizers.

Every course in the county is expected to participate.

The tournament is being held in honor of the late Babe Zaharias, who died of cancer in 1956. All tournament proceeds go for the Cancer Society's research, public education and aid programs. Last year county golfers contributed some $1000 through the tournament.

In charge of the event for the county are Mrs. Richard Lundgrin of the Peninsula Golf and Country Club and Mrs. Andrew Lindsell, another well-known golfer at the Green Hills Club.

Golfers will pay $1 to enter their net handicap scores in competition against top-ranking pros — men and women — who will play an exhibition match at Harding Park golf course in San Francisco on August 14.

Mrs. Lundgrin and Mrs. Lindsell pointed out that anyone can enter the tournament on an equal footing with the champs since net handicap scores will be used against the pros' gross score.

Golfers without established handicaps will be rated by the Calloway system. Players may enter as often as they wish. Those who "beat the pro" will receive plaques, and arrangements are being made for other prizes.

State tournament chairman is Robert A. Roos Jr., Hillsborough, and the sponsoring committee includes Mrs. Helen Langteld, also of Hillsborough, and Tom Fry, San Mateo municipal golf course pro.

John Shenk Added To West Roster For Prep All-Star Tilt

John Shenk, a 195-pound center form Lick-Wilmording High School in San Francisco, today was named to the West squad for the 20-30 Club all-star football game at Kezar Stadium on August 20.

Shenk replaces Earl Johnson, an end from Ravenswood High School, who is unable to participate in the game.

For the last two seasons Shenk has been named to the Bay Counties all-star team and was given special recognition on the all-city team in San Francisco.

Coaches in the loop rate him a fine defensive player and a leader on the field.

Shenk, who stands 6-2, also will be used as a punter by coaches Bill Feiling of Lowell and Bob Berry of Willow Glen. The West team will start practice August 8 at Jefferson High School.

Tickets for the 20-30 Club game are now on sale throught Bay Area 20-30 Clubs. All proceeds of the game go to charity.

Arrow Hunters Get Foretaste Of Deer Hunting Prospects

Bow and arrow deer hunters will get a foretaste of this year's deer hunting prospects as the start of the early archery season in the coastal area began July 23.

Bowhunters may also take deer during the regular seasons. Another special season for archery hunters will be held inland September 10 through September 19.

The arrow artists are allowed to take bear also during the special archery seasons. For the taking of big game, hunting arrows with a broadhead type blade which will not pass through a hole seven-eights of an inch in diameter must be used.

Happy vacation
from the Sparkle Corps
Wherever you travel in the West, your best stop is at the sign of the 76.
Union's "Sparkle Corps" of service station inspectors has been there before you, to make certain every station is clean and safe, with spotless rest rooms.
Result: The housekeeping is as good as the Union gasolines and the Minute Man service. That kind of reassurance helps a lot to insure a happy vacation!
